INFORMATIONAL PIPELINE NO. 23-005-NWK

TO: All Customs Brokers, Importers, and other concerned members of the Trade Community

SUBJECT: 2023 Annual Customs Broker User Fee

DATE: JAN 10 2023

PURPOSE: The annual Customs Broker Permit User Fee due date for the 2023 calendar year is February 24, 2023. The annual Permit User Fee reflects changes made by two final rules (87 FR 63267 and 87 FR 63262) published in the Federal Register on October 18, 2022, and effective December 19, 2022, that eliminate broker districts and district permits, and transition all customs brokers to a single national permit.

The fee for the 2023 calendar year is \$163.71 and is due to the processing Center no later than February 24, 2023. The annual Permit User Fee will only be collected for active national permits. User fees will not be collected for district permits because they were eliminated prior to the 2023 calendar year. The Customs Broker Permit User Fee payment is not yet programmed in an automated system and must be collected by the processing Center (port location) through which the broker's license was issued. Failure to make the payment deadline may result in permit revocation.

For brokers who have had their licenses issued through New York, the fees must be submitted to:
