

Attention Truckers

In an effort to go Green and improve our sustainability, on **July 10,2023**, Maher Terminals and the Maher Empty Depot operated by Columbia will be going paperless at the outbound gate facilities. TIR's will only be available online through the Maher Customer Service Package by running the TIR reprint report (currently available in the reports section from the drop-down Menu) or by signing up for paperless TIR's which can be sent to you, by request, via email in a PDF or Excel format.

Trucking Companies

Only **System Administrators** can apply for paperless TIRS on the Maher Terminals Customer Service Package by going to **My Account**, select **Paperless TIRs** (from the drop-down menu), entering an email address, and choosing whether you want them in a PDF or Excel format.

Drivers

Drivers, if you need a TIR you will need to sign up for a **Driver CSP account** on the Maher Terminals Website by scanning the QR code below.

This will take you directly to the login screen. Once you get to the login screen, on the top right corner click on **Sign Up**. At the sign up screen click on **Type of Business**, select **Driver** from drop down menu and fill out the required information to complete the sign up process. Once logged in go to the **Menu** on the top left corner, click on **Reports** and then **TIR Reprint**. Enter your **visit #** in the form and click on **RUN REPORT**.

Questions regarding sign-up can be referred to the Maher Terminals Clerical Service office at (908) 527-8200 ext. 4266, 4269, 4270, 4271 or 4272
