## **Notice of Submission of Harlem River Cable Installation EM&CP For the Champlain Hudson Power Express Project**

Dear Stakeholder,

On or about January 15, 2025, CHPE, LLC and CHPE Properties, Inc. (collectively referred to as “CHPE” or “Certificate Holders”) intend to submit an Environmental Management & Construction Plan (“EM&CP”) for the Harlem River Cable Installation Segment (“Segment 20B”) of the proposed Champlain Hudson Power Express (“CHPE”) Project. The Harlem River Cable Installation Segment EM&CP includes installation of approximately 6.2 miles of submarine cable in the Harlem River, beginning at an industrial parcel in the Port Morris neighborhood of the Bronx, and extending to the Hudson River, near the mouth of the Harlem River, several hundred feet west of the Spuyten-Duyvil Railroad Bridge.

The New York State Public Service Commission (“PSC”) issued a Certificate of Environmental Compatibility and Public Need (“Certificate”) to CHPE on April 18, 2013 to construct and operate the CHPE Project. Pursuant to that Certificate, CHPE is required to circulate notices to certain landowners, utility owners, municipalities and agencies near the proposed Segment locations indicating that the EM&CPs will be filed and providing links and contact information which stakeholders can use to obtain further information or to submit comments.

The EM&CP provides detailed information regarding how this Segment of the Project will be constructed, the specific locations of the proposed route, as well as descriptions of work to be performed, plan and profile drawings depicting the Project, plans and protocols to be used during construction to protect the community and the environment, and to comply with the CHPE Certificate. The EM&CP must be reviewed and approved by the PSC before construction on the Segment can begin.

An overview map of the proposed Segment location accompanies this notice. Further details of the planned work locations will be made available on the Project website at: <https://chpexpress.com/overview-of-public-documents/environmental-management-construction-plan/>. In general, construction activities for this Segment are anticipated to commence in the spring of 2025. Work will generally occur on a 24/7 basis in the Harlem River to facilitate timely and efficient installation of the CHPE Project. Where work is conducted at night, steps will be taken to minimize impacts to the community from work during these periods to the maximum extent practicable, such as by limiting nighttime lighting to that necessary to ensure safety and by deploying lighting and noise mitigation measures to reduce impacts to the surrounding community to the maximum extent practicable.

### **Contact Information and Document Repositories**

CHPE has established a toll-free number for questions regarding the Project: 1-800-991-CHPE (2473). Questions or requests for further information can be directed to [publicoutreach@chpexpress.com](mailto:publicoutreach@chpexpress.com) or by mail to Molly Hollister, WSP USA, One Pennsylvania Plaza, New York, NY 10119.

623 Fifth Avenue, 20<sup>th</sup> Floor

New York, NY 10022

The EM&CP documents will be available on the PSC's website at <http://documents.dps.ny.gov/public/MatterManagement/CaseMaster.aspx?MatterCaseNo=10-T-0139> and on the Project website <https://chpexpress.com/overview-of-public-documents/environmental-management-construction-plan/> once they are filed.

Paper copies of the Segment EM&CP submissions will be available for viewing at the following local document repository: Mott Haven Public Library, 321 East 140th Street, Bronx, NY 10454.

### **Filing Comments**

Any person wishing to be heard by the Commission on any matter related to the proposed EM&CPs may file written comments with the Commission Secretary by email at [secretary@dps.ny.gov](mailto:secretary@dps.ny.gov) or by mail to Michelle Phillips, Secretary, NYS Public Service Commission, 3 Empire State Plaza, Albany, NY, 12223, within 30 days of the EM&CP Segment's filing with the Commission. All comments should reference Case Number 10-T-0139.

Yours truly,

Josh Bagnato  
Vice President, Development
