The National Lighthouse Museum's Board of Trustees, Advisors and FRIENDS are dedicated to the full development of the National Lighthouse Museum on the site of the US Light House Service General Depot on Staten Island from 1864 to 1939. Partnering with government agencies, non-profits, corporations, foundations, and other organizations, we will work to promote and support historical, educational, cultural, recreational, and other related activities at the site, while maintaining the navigational significance and maritime heritage of lighthouses throughout the world. The National Lighthouse Museum has 501(c)(3) status. All donations are tax deductible to the full extent of the law.

200 The Promenade at Lighthouse Point · Staten Island, NY 10301
