

**U.S. CUSTOMS AND BORDER PROTECTION  
FIELD OPERATIONS, NEW YORK  
PORT OF NEW YORK/NEWARK**

**INFORMATIONAL PIPELINE NO. 23-021-NWK**

**TO:** All, Importers, Carriers, Terminal Operators, CES Operators, Brokers and Others Concerned in the Trade Community

**SUBJECT:** Port of New York/Newark Interim Memorandum of Understanding with Red Hook Container Terminals

**DATE:** SEP 18 2023

**REFERENCES:** 19 C.F.R §151.1-7, 15; “*Memorandum Of Understanding Between United States Customs and Border Protection, The Port Authority of New York and New Jersey and Red Hook Container Terminal, LLC*” signed July 25, 2019

**PURPOSE:**

On Thursday, August 24, 2023, the Port Authority of New York and New Jersey provided notice to Red Hook Container Terminal that Piers 9A and 9B must be vacated due to safety concerns by September 26, 2023. The purpose of this pipeline is to update the trade community of the immediate impact to the Port of New York/Newark’s examination process at Red Hook Container Terminal located at 70 Hamilton Ave, Brooklyn, NY caused by this action. This forced relocation nullifies the “*Memorandum Of Understanding Between United States Customs and Border Protection, The Port Authority of New York and New Jersey and Red Hook Container Terminal, LLC*” signed on July 25, 2019 because the location contemplated by that MOU is no longer available for use.

**BACKGROUND:**

In 2012, U.S. Customs and Border Protection (CBP) designated Pier 9 as a location where cargo examinations may be conducted pursuant to 19 CFR 151.6 & 151.7. Based on this, CBP entered into an agreement with the Port Authority of New York and New Jersey and Red Hook Container Terminal for the examination of cargo at 70 Hamilton Ave, Brooklyn, NY. The MOU has been renewed twice since 2012.

**ACTION:**

The decision by the Port Authority of New York and New Jersey to declare Pier 9A and 9B as unsafe forces Red Hook Container Terminal to vacate the building by September 26, 2023, and in turn effectively terminates CBP’s ability to conduct examinations at that location. Red Hook Container Terminal has proposed utilizing space at Pier 8 located at 2 Atlantic Avenue Brooklyn, NY as an interim or replacement site for examinations. CBP is working closely with Red Hook

Container Terminal and the Port Authority of New York and New Jersey to expeditiously move CBP operations to Pier 8.

During this period, CBP will enter into a new interim MOU with Red Hook Container Terminal and the Port Authority of New York and New Jersey until March 31, 2024 to provide CBP exam services.

CBP is intent on establishing exam operations in the new location without disruption to cargo service at Red Hook. In the event that Red Hook Container Terminal and the Port Authority of New York and New Jersey are not able to prepare this location for the examination of cargo, the Port Director will exercise her authority to suspend CBP cargo exam operations and redirect cargo to a CES facility until examinations can commence at the new facility. If cargo is redirected, CBP is advising any carriers that call at Red Hook Container Terminal that they will need to select one designated comprehensive CES for Enforcement/Trade/Agriculture exams by Wednesday, September 20, 2023. Please provide your designation to Deputy Chief Michael Vernon at [michael.d.vernon@cbp.dhs.gov](mailto:michael.d.vernon@cbp.dhs.gov) on Appendix A.

Current Comprehensive CES Info is included as Appendix B.

Should you have any questions regarding this matter, please contact Deputy Chief Lucille Cirillo at 201-443-0338 or via email at [lucille.cirillo@cbp.dhs.gov](mailto:lucille.cirillo@cbp.dhs.gov)

TenaVel T. Thomas  
Port Director  
Port of New York/Newark

**APPENDIX A**  
**U.S. CUSTOMS AND BORDER PROTECTION**  
**PORT OF NEW YORK/NEWARK**

**CENTRALIZED EXAMINATION STATION DESIGNATION FORM**

Ocean Carriers will designate a Centralized Examination Station (CES) for all Enforcement examinations, including Non-Intrusive Inspections (NII), conducted by CBP. Ocean Carriers will designate a Centralized Examination Station (CES) for all Agriculture examinations conducted by CBP.

Select one (1) Comprehensive CES. Carriers calling on terminals in both New York and New Jersey in the port may select one (1) CES in the event CBP exams are suspended at Red Hook Container Terminal.

The Centralized Examination Stations in the Port of New York/Newark are:

Comprehensive CES\*:

East Coast C.E.S., Inc., 1130 Polaris Street, Port Elizabeth, NJ  
Global Container Terminals, 241 Western Ave., Staten Island, NY  
H&M International Transportation, 700 Belleville Turnpike, Kearny, NJ

\*The Comprehensive CES will have the capability to present cargo to CBP for Enforcement (including NII), Trade Compliance and Agriculture examinations.
