## A SMALL SAMPLING OF THE TRIENNIAL WORKSHOPS

**Rev Patricia Bligen Jones** – The Art of Kintsugi: Finding Beauty in Brokenness. This workshop will help people deal with the brokenness in their lives. Participants will need to bring a porcelain plate or cup that means something to them. They will be required to break the item and then put it back together with glue and gold paint.

**Rev Joyce Lieberman** – “The Gift of Sabbath” This workshop is about understanding and embracing Sabbath observances as part of our lives.

**Rev Dr. Ella F. Busby** - Recharging Over Tea

In this workshop, we will share 1) the things of life that deplete our energy or break our spirit and 2) discuss how we can be recharged and refashioned by drinking our tea while it is hot and 3) hear the story about your favorite teacup and saucer that you are encouraged to bring.

Join us for painting, beading & bow making.
