

# *Christmas 2016*

## *S.C. Inn at Montreat*

While Santa is relaxing on our patio, he's not "dreaming of a white Christmas," he's thinking about what a nice spot the patio could be for meals, small group gatherings, or just a spot for our guests to enjoy being outside with a view of the mountains.

In his mind, Santa can picture a new wall with secure railings, improved stairs to the Inn, benches, flat space for picnic tables, and some nice landscaping.

The S.C. Board would like to encourage you, as you and Santa are planning for

your Christmas giving, to include a special gift to the S.C. Inn designated for "patio improvement" so that we can make Santa's dream come true.

You may give a gift in gratitude for the good times that you have spent at the Inn or you may give a gift in honor, or in memory, of friends or family members. We will notify the person about your thoughtful gift. We look forward to seeing you at the Inn in 2017.

We appreciate your generosity and support,

*The South Carolina Inn Board of Trustees*
