I started with Southeastern Program of Recreational Team Sports (S.P.O.R.T.S.) as the Assistant Executive Director in 2004. During the past 16 years, it has been my pleasure to help our organization grow and change, including our recent name change to Mudsock Youth Athletics! Now, after 16 years of service, I am announcing my retirement with mixed feelings of nostalgia and excitement.

When I was hired, I was one of only four employees working in our small office on Village Square Lane. Now there are seven employees working in our much larger office at Billerica Park. During my tenure, the number of sports, leagues and participants has doubled. Also, during this time, the Town of Fishers became the City of Fishers while the population grew from 55,000 to over 90,000. This growth was among the fastest in the country at the time and I am pleased to say our organization eagerly kept up with the progress.

I feel that I have been fortunate to be a part of such a growing and thriving youth athletics organization. As I step away, I will truly miss all of the wonderful people with whom I have had the opportunity to work. This includes the families, the volunteers who work tirelessly to give back to the community, the MYAthletics board members, and especially my amazing co-workers (both past and present) who have become such good friends.

For MYAthletics, I am confident the organization will continue to grow and succeed in the future. For me, I look forward to traveling, playing golf, volunteering and spending more time with my friends and family (especially my grandchildren)! Thank you to all who have contributed to making my time at S.P.O.R.T.S./MYAthletics so rewarding!

With appreciation,
