

Dear Kingsley Families,

The Student Service Council is organizing a March Madness Toy Drive. We will be collecting toys for children at the NorthShore Evanston Hospital. For the sake of allergies, please make sure all donations are latex free, unwrapped, brand new, and unopened. Also, stored in a pet free and smoke free environment. Toys can be dropped off before and after school in the Kingsley lobby. Look for boxes labeled 'Toy Drive'. For larger and more expensive items, please drop them off in the office. The NorthShore Child Life wish list is attached.

Thank you,

Jennifer Chisholm, Anna Kahl, Sandra Israel, Kristi Van Wettering, Beth Warren along with the Student Service Council.

NorthShore Child Life Wish List
