Alamogordo Chamber Member Since: 1984

Shuttle Mini Storage was built in 1983. The facility joined the Chamber the following year. Shuttle Mini Storage has enjoyed steady growth ever since.

The Alamogordo Chamber of Commerce plays a vital role as an advocate for our business community. The Chamber sponsors educational seminars for businesses on a regular basis. The Chamber is the pulse of our community.

I appreciate the courteous and informative way the Chamber showcases our community to locals as well as visitors. Our Chamber recognizes those who contribute unselfishly to make Alamogordo such a special place to live, raise a family, and do business. The Chamber also provides opportunities for us to say Thank You to our wonderful military. Together we are all Alamogordo proud!

I am honored to call my business a long time member of the Alamogordo Chamber of Commerce. Thank you for a great 32 year partnership!
