

Diaz Landscaping Management is BEYOND EXCITED to announce that we are partnering with Silver Horizons of New Mexico to launch a new program called:

"Team Daisy" Operation Adopt a Grandparent

In memory of Elaine Diaz's Nana who loved to visit with people ...

We will be collecting donations of non-perishable items at our office (drop box is located in our building main lobby)

Silver Horizons will be providing Diaz Landscaping with grandparents in need of yard clean-ups.

Our Diaz Landscaping Team will volunteer to help hand out food and items to families in need.
