

Temporary Meeting Space needed:

Do you have a space you can donate for a few months to support the Children's Grief Center and Grief Resource Center grief support groups?

We are seeking temporary support group space in the Rio Rancho/West Side area, on alternating Thursdays (September - December) from about 5:30pm to about 8:30pm. The type of space we need is:

- A gathering space that can hold 50+/- attendees
- A minimum of 5 separate rooms that can accommodate 12 people each
- Playground and/or gym
- Parking lot for 60+ cars

Private schools and churches with education wings could work!
Please contact us at 505-323-0478 or infor@childrensgrief.org if you can help.
