

TREATING PATIENTS WITH COMPASSION & RESPECT

here for you

The University of New Mexico Behavioral Health Clinic located at the Health Sciences Rio Rancho Campus provides outpatient care for substance use disorders, anxiety, depression and a wide spectrum of mental health challenges.

Innovative Care

We form partnerships with our patients to assist with reaching goals so you can feel successful in areas of your life important to you. We believe recovery and a fulfilling life in the community is achievable for everyone. Services we offer include:

- Individual & Group Counseling & Therapy
 - Substance Use Disorder Treatment
 - Medication Evaluation & Management
 - Evidence-Based Behavioral Health Treatment
-
- Serving northwest and north-central New Mexico
 - Conveniently located for residents of Sandoval County
 - Medicare, Medicaid & commercial insurance accepted
 - No referral necessary - call for appointment availability
 - Referrals accepted from UNM Health providers
