Valued Community Member,

On Friday May 3rd, 2019 Lincoln Middle School will be hosting our Annual Health/ Community Fair, Spring Carnival & Color Run from 3:15 to 6:30 pm in our gymnasium & field. Our objective is to motivate parents to get physically active with their children, live a more active and healthy lifestyle, cooking healthy meals, encourage proper hygiene and feature valued community members and the services they offer. Hosting this health fair/carnival allows us to show parents many of the options available in our community to help encourage a healthy lifestyle. Our hope is that parents/guardians and children will see the many activities offered, and will choose to join a team or participate in these activities as a family. Attendees will receive health tips from experts, which we believe will help families may feel more empowered towards improving their fitness lifestyle. Our Carnival will feature low cost Carnival Games & Prizes to win, a Variety of Fitness Competitions, Jump Rope Competitions and much more.

The Lincoln Middle School Staff will be promoting this event in order to generate interest and to provide sponsors with a large audience for their products and services. As a result of these collaborations, this event has been very successful. Over the past 11 years, approximately 300 people attend annually. Our goal is to make it even better this year with the hope to attract 400 or more in attendance. We are looking to you as a Valued Sponsor! This is your No Cost opportunity to gain exposure in our community for your Business/Organization. We are asking you to set up a booth that will allow our attendees to learn about your business, including your location and the added value your bring to our community. This event will also provide our attendees with opportunities and options to help their families enjoy their health, wellness, and fitness as a family!

We would love for your business/organization to attend and provide the community with information on the services you offer. If you could attend for part or better yet, the entire event, we would be greatly appreciate it. We will provide you with a table, chairs, food and beverages for you and your team.

Please inform us if you are interested and please feel free to contact us with any questions you may have. Thank you for time and your consideration!

Sincerely,

Alan Sanchez, Raquel Cuaderes, Jennifer King
Physical Education & Health Teachers
