

# Albuquerque Bernalillo County Water Utility Authority

## NEWS RELEASE

### **Crews to Close Golf Course Rd at Westside Blvd for About Two Weeks Beginning Monday, April 18, 2022**

*Construction is part of the Water Authority's Raw Water Transmission Pipeline in Westside Blvd*

**Contacts: David Morris – 505-264-5691; Rachel Stone – 505-362-9519**

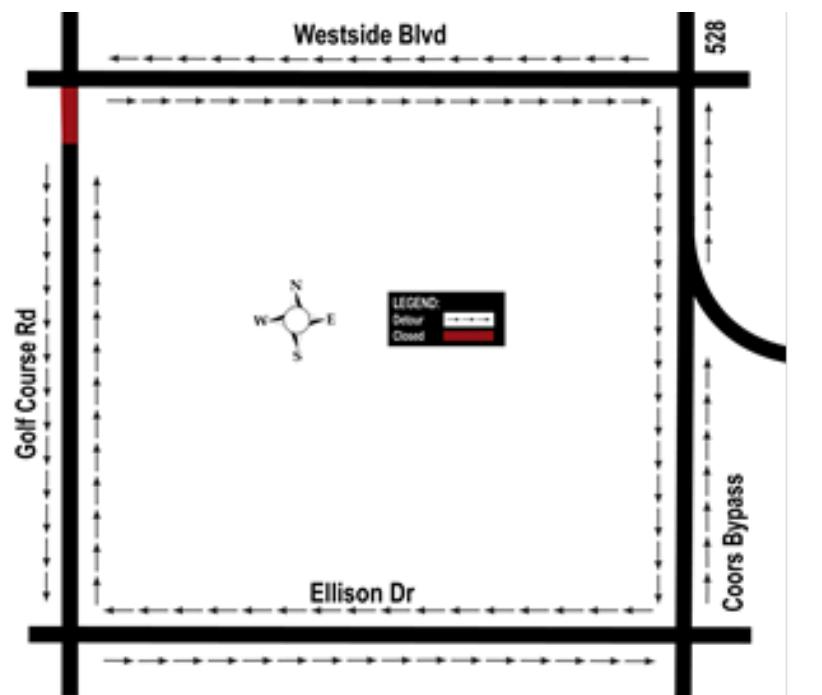

APRIL 13, 2022—Beginning Monday, April 18, 2022, crews will close Golf Course Rd at Westside Blvd to lay a 20-inch pipeline across the intersection.

Two shifts of crew members will work a combined 16 hours a day, seven days a week, to get this work done as quickly as possible. Golf Course Rd is scheduled to reopen on Monday, May 2, 2022 or sooner if at all possible. Regular work hours will be 5 a.m.-9 p.m. each day. Barricades will remain in place 24/7 for safety.

#### **Designated Detour:**

As shown on the map to the right:

- **Eastbound motorists on Westside Blvd** will be detoured south on Coors Bypass, then west on Ellison Dr to access Golf Course Rd.
- **Westbound motorists on Westside Blvd** will be detoured south on Coors Bypass, then west on Ellison Dr to access Golf Course Rd.
- **Northbound motorists on Golf Course Rd** will need to turn right and head east on Ellison, then north on Coors Bypass to access Westside Blvd and Golf Course Rd.
- **Southbound motorists on Golf Course Rd** will need to turn left and head east on Westside Blvd, then south on Coors Bypass, then west on Ellison Dr to access Golf Course Rd.

The Water Authority and its contractor, AUI, appreciate everyone's patience during this work.
