

**Come see the next generation of start-ups and meet JA's budding entrepreneurs!**

Twenty-one high school student-led companies, mentored by volunteer business professionals, are participating in JA Fellows, Junior Achievement's pinnacle business, entrepreneurship, and leadership program for 9th - 12th graders.

Join us as the Top 10 teams compete at JA Fellows Spark Tank Finale.  
Local winners have the chance to compete nationally for scholarships and prizes.  
One of last year's local teams became the #1 team in the country!
