LEADS is open to all GFWC Georgia clubwomen. You must receive your club president's endorsement.

WHAT CAN YOU EXPECT? Dynamic speakers discussing such topics as communications, how to run a meeting, conflict resolution and a history of GFWC and various roles within our organization.

HAVE YOU EVER WANTED TO KNOW HOW TO GIVE A GOOD SPEECH? This year's concentration will be on how to give a good speech!

All good reasons to attend 2019 LEADS. However, if that is not enough, what about a chance to win this Brahmin handbag.

***All registered attendees' names will be placed in the bag and one lucky person will win the bag at the end of the seminar.**

Complete the on-line registration. By completing the form, you acknowledge your club president is aware of your interest to take the next step in enhancing your leadership qualities and endorses you to attend LEADS.

COST? \$30.00 per attendee. The deadline is August 9th, 2019.
