

# Take-Apart Night

## Scouts BSA Troop 76

**WHAT:** Bring an old/broken electronic device and dissect it with tools to identify cool internal parts and learn how things work and are put together.

**WHERE:** Troop 76 meeting place – St. Stephen's Episcopal Church, North Hall, 353 Main Street, Ridgefield, CT 06877.

**WHEN:** Tuesday, April 22, 2025 @ 7PM  
(stay until you are done or until 8:30 PM)

### Take-Apart Tips

Please bring an electronic device of your choosing to take apart (not to fix). Devices with moving parts and lights have great parts to learn about.

Some basic guidelines:

- **No printers.**
- No old-fashioned TVs or displays (i.e., **no CRT monitors**).
- Plugging devices into A/C outlets at the event is not allowed – all devices will have their power cords removed/cut-off upon entry to ensure this.
- Please bring your own tools if possible, BUT...
- **No Hammers!**
- Safety glasses, work surfaces, extra tools & guidance ALL provided.
