

## Free Scholarship Websites:

### [www.Fastweb.com](http://www.fastweb.com)

Fastweb hosts more than 1.5 million scholarships that provide more than \$3.4 billion. Once a profile is created, the site's search feature will help students find the most accurate matches that fit their needs.

### <https://bigfuture.collegeboard.org/scholarship-search>

While the College Board is known for its college planning tools, it also has an arm that focuses on scholarships. Big Future hosts scholarships, as well as other financial aid and internship information from more than 2,200 programs — totaling nearly \$6 billion. In order to get the most accurate search results, it is critical to fill out as many details in the profile that's used for searching.

### <https://www.careeronestop.org/toolkit/training/find-scholarships.aspx>

This free tool is a great resource for students to search more than 7,500 scholarships, grants and other various types of financial aid award opportunities.

The [CareerOneStop](#) tool allows a student to:

- Look through the site's entire inventory of scholarships, arranged in order of closest deadline.
- Narrow your list with a "search by keyword" option: Just enter a keyword about the type of award you're looking for.
- Use the filters to see opportunities for only certain types of awards, locations, level of study, and more.

### <https://www.niche.com/colleges/scholarships/>

Formerly known as College Prowler, Niche is a great tool that can help students find colleges AND money. It's organized into categories that allow users to search by interest, career, major and other areas.

### [www.scholarships.com](http://www.scholarships.com)

Scholarships.com hosts one of the largest scholarship databases and it's updated on a daily basis. According to the site, "With more than 2.7 million scholarship and grant opportunities worth more than \$19 billion, just about

everyone is bound to find something." This site also has the capability of searching for scholarships specific to Florida residents.

### **[www.cappex.com](http://www.cappex.com)**

Cappex hosts a database of more than \$11 billion in scholarship opportunities. Once a personal profile is created, a student can search for opportunities that directly match your strengths and skills. Plus, Cappex has a tool that will calculate a student's odds of getting into a certain college before he/she even apply.
