

### ECO Woody Winborn Jr.

Emergency Communications Officer (ECO) Woody Winborn has been employed by the Department of Emergency Communications (DEC) since January 6, 2020. ECO Winborn is full of excitement when it comes to helping others.

ECO Winborn is best known in the DEC for his enthusiasm, positivity, and endless efforts to helping others. After being elected as the alternative for the Public Relation's Unit, ECO Winborn has been going full steam ahead with every community engagement that he is available to participate in. In the past few months, ECO Winborn has committed over twenty (20) hours of his personal time attending events including: National Night Out Kick-Off Event, Divas of RVA Back-to-School Community Event, 9/11 Memorial Event and 20th Anniversary Public Safety Fair. He has already made arrangements to attend the upcoming Touch a Truck event in October. In order to be more effective, ECO Winborn

requested to attend an upcoming City of Richmond driving course so he can transport equipment/personnel to these types of events.

Along with being dedicated to the community, ECO Winborn has proven to be dedicated to the DEC. Since his hire date, ECO Winborn has had no unexcused absences

since his date of hire. He invested over fifty (50) hours assisting the 37th Basic Dispatch Academy (BDA) and has already committed to an additional fifty (50) hours with the upcoming 38th BDA.

To conclude, ECO Winborn is a front-runner as it pertains to his volunteer efforts. He has tirelessly proven to be dedicated to the DEC, his co-workers and the community.
