

ECO Woody Winborn Jr.

Emergency Communications Officer (ECO) Woody Winborn has been employed with the Department of Emergency Communications since January 6, 2020. ECO Winborn is full of enthusiasm and excitement when it comes to helping others.

After several months of intense training, ECO Winborn completed his radio training and was released to independently operate the police radios on November 12, 2020, and service channel on November 16, 2020. On his days off, ECO Winborn committed over fifty-two (52) hours assisting with the training of the new hires in the 35th Basic Dispatch Academy.

ECO Winborn has proven to be an invaluable member of the Department. He is always eager to use his abilities and connections to assist with the Department's needs. Being familiar with just about EVERYONE in the City of Richmond and with his previous job experience, he was the perfect candidate to be the backup in DEC's Public Relations Unit. During his short time in this position he has already submitted ideas for a toy drive, a PSA on a popular radio station, and other ideas are in the works.

ECO Winborn was recognized on November 15,

2020 for perfect attendance during the first quarter of fiscal year 2021. ECO Winborn has had perfect attendance for the duration of his employment. He was also recognized for his willingness to assist with cleaning out the refrigerators periodically in an effort to maintain a more sanitized food storage area.

Overall, ECO Winborn is a positive employee that is eager to be part of the team and help anyone in need. His contributions have been beneficial to the Department and his peers. He is always outgoing and continues to think of ways to help connect emergency communications with the public. He is an exemplary employee and has no disciplinary issues.
