

Roger Edwards

I have had the opportunity to work with Roger as both co-worker and as his Supervisor for the past 9 years. Many would consider Roger to be the face of the Radio Shop and has been so for over 37 years. He is the longest serving member of our team and his wealth of knowledge and experience is immeasurable. His

humor, willingness to listen to others, as well as his eminent ability to teach other members of our team has been a major cornerstone of our shops high morale and camaraderie. When Roger retires next month he will be leaving a position that I doubt anyone will ever be able to fill with the positivity, dedication, and attention to detail that he has.

Congratulations to Roger on his retirement!
