

ECO Kendra Anderson

I am nominating Emergency Communications Officer (ECO) Kendra Anderson for Emergency Communications Officer of the Month of December 2021 for her hard work, dedication, and perseverance as she continues mature and advance her role as an Emergency Communications officer here in the Department. ECO Anderson began her career with the Department of Emergency Communications on September 16, 2019. She has since consistently displayed positive characteristics of strong work ethic and teamwork. ECO Anderson continues to work hard and strives to be great in her profession while doing her best to assist our internal and external customers.

On Christmas Day, ECO Anderson received a call for service reference a wanted potential murder suspect in the 2500-Blk Dana St, reference CAD #202112250433. This call for services turned into a 14 minute long vehicle pursuit that resulted in three apprehensions. ECO Anderson received Kudos from Sgt. Shamburg for her handling of traffic pursuit. Sgt.

Shamburg advised that it was due to her calm demeanor and ability to lead and control that they were able to remain calm during the pursuit. He advised that there were several units in the area including 1st and 2nd precinct units. With her calmness and attention to detail, they were able to have an excessively long pursuit end with apprehensions, and no injuries to officers, citizens, or suspects and no damages to city property or vehicles.
