

### ECAS Chantell Jones

Emergency Communications Assistant Supervisor Chantell Jones is being nominated for her dedication to the Department and leadership.

During the past quarter, ECAS Jones has demonstrated exceptional dedication to the Department. When it was determined that ECAS Tyrell was going to be out for several weeks or more, ECAS Jones readily stepped up and accepted a temporary reassignment to B Platoon to provide supervisory coverage. On short notice, she was willing to adjust her schedule to accommodate the transition from night shift to day shift.

Following her transition to B Platoon, ECAS Jones has continued to demonstrate her leadership. She has effectively managed the day to day responsibilities of leading her new platoon. Additionally, she has led her platoon through a difficult month of protest related activities. She has worked to develop a good rapport with her newly assigned employees and has worked diligently to ensure they are taken care of. ECAS Jones has also demonstrated her desire to both grow professionally and assist her fellow employees by applying to become a member of the Department's

CISM team.

In addition to her normal duties, ECAS Jones has worked a total of 119 hours of overtime this quarter to support Department staffing. On April 10, 2020, ECAS Jones was commended by ECS Waitt and ECAS Smallwood for volunteering to work an additional eight (8) hours of overtime past her scheduled end of tour on another platoon to ensure adequate fire radio operator coverage. This is yet another example of her dedication.

Overall, ECAS Jones displays the integrity, dedication, and pride in her work that define a supervisor in this Department. For these reasons ECAS Jones is most deserving of this nomination.
