

Cherise Cobb, program and operations supervisor

Dr. Cobb has three degrees from Virginia State University, including a doctorate in education. She has been a family and consumer sciences teacher and a volunteer director of her local 4-H Club. She is enthusiastic and loves sharing with people. Her hobbies include reading and playing board games.

Amber Wells, emergency communications supervisor

Coming from the Richmond Ambulance Authority, Amber has been an EMT for 14 years and in communications for 6.5 years. She has a photography business and enjoys reading in the quiet. She married her high school sweetheart in 2020, and they have two dogs and one cat.
