

Supervisor of the Quarter

November 2020

ECAS Nicole Tyrell

Emergency Communications Assistant Supervisor Nicole Tyrell is being nominated for her continued leadership and dependability.

During the past quarter, ECAS Tyrell has continued to lead B Platoon mostly on her own. While doing so, she has demonstrated her dedication to her position in effectively handling all of her required supervisory responsibilities. She has also continued to be a leader and mentor for each person on her platoon. She has not allowed the challenge of working as the only supervisor most days to negatively affect her work ethic. ECAS Tyrell routinely sets an example for her platoon and other supervisors with her strong drive and positive attitude. No matter the task, she is one who can be counted on to get the job done every time.

This quarter ECAS Tyrell worked to plan the IDT schedule for staffing the Emergency Operations Center during hurricane Isaias. With short notice she completed this task on her regular day off. Additionally, ECAS Tyrell served as Acting Emergency Commu-

nifications Supervisor for two weeks during the month of September. Though this assignment would require additional responsibility, effort, and working extra hours – some on her days off – ECAS Tyrell willingly took on the assignment without complaint seeing it as an opportunity and handled it very well. These examples demonstrate the dedication and attitude required of a leader in this Department.
