

## Terrence White II

I recommend Terrence J. White II, electronics technician I, be nominated for the Technology Employee of the Quarter.

Terrence is a very dedicated and hardworking employee. Over the last quarter Terrence has stepped up countless times to come in early and or stay later to make sure the projects are getting done. Terrence always has a smile on his face and is always willing to help others. His customer service skills are exceptional when it comes to working with the customers' concerns and their equipment issues.
