

## Keeping HOPE Alive during Extraordinary Times

*Written by Denise Gudlin*

Life in Haiti is hard, with many unable to find food daily for their families. Then a pandemic hits this already vulnerable country, making it even worse and those who were hungry are now on the verge of starvation. Since March 19 when the first case of COVID-19 hit Haiti, large gatherings were closed which included shutting schools, churches and markets where many sell what they can to buy the little food they can afford. This is overwhelming to me, but I know we serve an awesome God who will use people like you and me to help our brothers and sisters in Haiti.

Here are some of the ways God is working through Trinity HOPE in Haiti during these extraordinary times:

- Provided \$375,000 to purchase over 1.7 million emergency meals of rice, beans and oil for these children and their families
- Will be providing meals a month earlier this 2020-21 school year with school starting mid-August
- Adding 11 new schools this school year
- Adding two new feeding program directors - one in Jacmel and one in Port-au-Prince

Will you join us as we walk with Jesus and be the physical hands and feet in Haiti? Sharing the Gospel has never been more important than right now. The meals provided are meeting the physical as well as spiritual needs for the children, teachers, and cooks in our schools. As little missionaries, our children in Haiti are sharing the love of Christ they experience at school with others as they commute in their tap-taps singing "Jesus Loves Me!"
