

## **St. Andrew Lutheran Church Haiti Hunger Fight Night 2020**

Like many other aspects of our lives, the St. Andrew Lutheran Church Haiti Hunger Fight event for 2020 will be very different this year. Certainly, children's needs in our schools in Haiti remain the same, and because of this we push on to determine how we can best support them.

For the past 15 years, St. Andrew Lutheran Church has very generously supported school children in Haiti via the Trinity Hope Feeding program, a Nashville-based non-profit organization. We have done this through various Hunger Fight event programs. We normally solicit local businesses, church, and community members for items, and we conduct an auction to raise money for the schools. The auctions have been combined with a meal or a fun fellowship event for the entire congregation and community.

You can learn more about the Trinity Hope Feeding program from a short video at <https://www.youtube.com/watch?v=6GkXaHEP3t4> or via the Trinity Hope website <https://www.trinityhope.org/>

As you may imagine, this year's approach will be quite different. We are working on the details and expect to include:

- Virtual auction
- Sponsorship program
- Virtual "happy hour" fellowship events. We are targeting early November with more details to come.

How you can help:

- We are looking for auction items.
  - This may include physical items
  - Services (yard work, cleaning, sitting, lessons, etc.).
  - Meals or small dinner parties
  - Vacation rentals
- Direct donation via check, cash, or through sponsorship program
- Join our team
- Prayers

The needs of the school children in Haiti are greater than ever. They hope to return to school soon to continue to receive a daily meal of rice and beans in order to create hope for a brighter future. Thank you in advance for your on-going support.
