

We are excited to bring back again this year the Haiti Hunger Fight program in conjunction with the Oktoberfest event at Look Away Farms on Saturday, October 23. Especially considering the impact of the recent earthquake in Haiti, the needs of the children in our schools in Haiti are greater than ever.

For the past 16 years, St. Andrew has generously supported schoolchildren in Haiti via the Trinity Hope Feeding program, a Nashville based non-profit organization. We have done this through various Hunger Fight events, including auctions, direct sponsorship, and fellowship activities, to raise awareness and to raise money for the schools. These events have been fun for the entire congregation and community.

This year's program includes:

- **On-line silent auction**
- **Fun and fellowship at the Oktoberfest on October 23**
- **Sponsorship program**

Key Dates:

- Last Day to submit auction items: **September 30**
  - Auction opens with display between services on October 10 and 17
  - Auction closes at Oktoberfest on October 23

**How can you help:**

- We are still looking for a few auction items, including:
  - Physical items
  - Services (yard work, cleaning, sitting, lessons, etc.);
  - Meals or small dinner parties
  - Vacation rentals
  - Music and sports events
  - Beer, wine, and liquor
- Direct donation via check, cash, or through the sponsorship program
- Plan to join the fun at Oktoberfest on October 23
- Prayers

As the children attend class, they continue to receive a daily meal of rice and beans to create hope for a brighter future. Thank you in advance for your ongoing support.
