

WELCA NEWS

SOAP comes in all shapes and sizes!

A big thanks to all who have donated funds to our WELCA soap account. The WELCA Board met a few weeks ago and decided to use the funds rather than let the money sit in the bank. Inspiritus advised us that the kind of "soap" they could best use right now would be laundry soap and dishwashing soap. Thanks to Jackie Walters raiding the Dollar Tree in Pulaski, we acquired 64 bottles of dishwashing soap and 40 bottles of laundry detergent. In addition, with the help of my adult children, we have also acquired 12 more bottles of laundry detergent from Amazon. Great work, team! Watch for more SOAP news in the coming months.

BEVERAGE TAB collection for Ronald McDonald House continues!

WELCA continues to collect aluminum beverage tabs from soda cans, beer cans, seltzer and carbonated water cans, etc. I hope everyone is collecting while staying at home. I have visions of mountains of tabs after 3 months. Please consider this easy way to support the Ronald McDonald House, located near Vanderbilt Children's Hospital in Nashville. The tabs can be turned in at church at a later date or, if you are ready to unload your stash, contact Beth Smith for porch pick-up.

QUILTING NEWS

If you are looking for a new project and you can cut or sew, the WELCA quilting group can help keep you busy. Contact Beth Smith for information about this ministry. We continue to collect all sizes of flat sheets for the backs of the quilts as well.

The Saint Andrew Women of the ELCA are praying for our congregation and look forward to when we can gather again in person.
