

The Prayer Shawl Ministry

The Prayer Shawl Ministry brings together people who use their talent of knitting or crocheting to spread God's message of mercy, love and compassion. Prayers for comfort, healing and strength are said as each item is made. We have adult as well as child size prayer shawls. Due to COVID, completed items are kept at my house rather than at St. Andrew. Call or e-mail me if you would like a prayer shawl. I am happy to deliver the prayer shawl to your front porch in a zip lock bag.

Peace,
