

Children's activities will be provided while grown-ups participate in the education session. Childcare is for children 2 years & up and potty trained.

Dinner this month is graciously donated by Lola's Old Hickory House. There will be a vegetarian option for dinner, but families with other dietary needs may want to provide their own food. To RSVP for this dinner go to <https://www.facebook.com/familydinnerseriestransylvania/> and click "Going".

The Family Dinner Series programs focus on a variety of topics centered around the family. This FREE series is designed to bring families together for a meal, conversation, education, and fun. Additionally, families will also be able to receive more information about organizations and agencies within our community who provide services, activities, and information geared towards families.

The Family Dinner Series is sponsored by The Children's Center of Transylvania County, Transylvania County Parks and Recreation, Transylvania County Library, The Family Place, SAFE, Inc. of Transylvania County, Southmountain Children and Family Services, Brevard College, The Haven of Transylvania County, and the CARE Coalition.
