

# APPLY FOR CHESAPEAKE WILD GRANT FUNDING!

NFWF

## What are we funding?

### Conservation project priorities:

- Benefit imperiled fish & wildlife
- Address climate change
- Build community partnerships
- Increase public access to nature
- Improve water quality

### Implementation Grants

projects that result in direct on-the-ground conservation

**\$75,000-\$750,000**  
**1:1 Match**

### Planning and Technical Assistance Grants

projects enhance capacity for future on-the-ground conservation

**Up to \$75,000**  
**Match Encouraged**
