GROWING GENEROSITY

Your generosity ensures
God's kingdom grows!

Which step will you take along the giving path?

Extravagant Giver

How does extravagant giving remind you of God's generosity?

Faithful Giver

How will giving 10% of your income feel in your faith?

Growing Giver

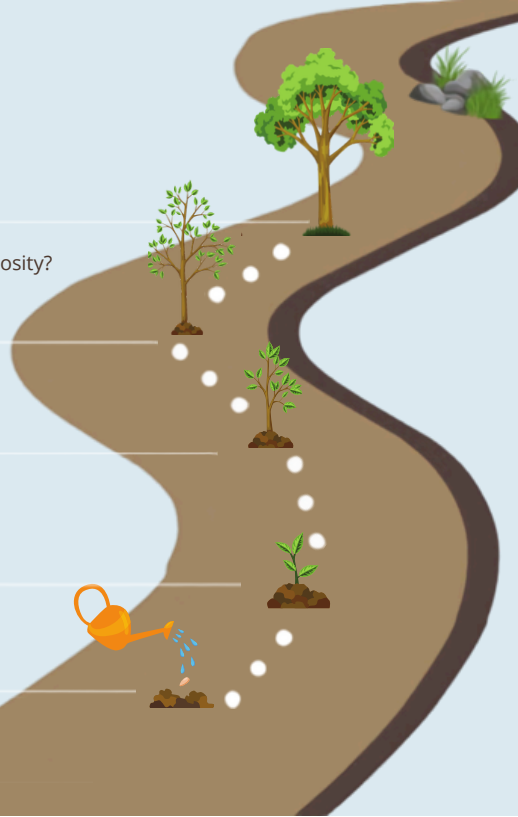

How is your faith growing as your giving is growing?

Intentional Giver

What percentage of your income will be meaningful for you to give?

First-Time Giver

How will you start with your first gift that brings you joy?

Consider these steps on the path:

Identify where you are on the journey to generosity.

How has God's generosity been revealed to you in this step?

How is that helping you grow to take the next step in generosity?

What is the gift that you want to give next?

**How are you grateful for God's generosity?
Write it on the leaf and place on the tree in the narthex!**

PRAYER

Generous God, all we have and all we are come from you. As we offer our commitments, deepen our trust in your provision and strengthen our resolve to live faithfully. Shape us through our giving to reflect the love of Christ. Use these gifts to change lives—including our own—and to help transform the world. Amen.

I/We have prayerfully made these commitments:

Keep this record of your commitment in your personal files or bible. We invite you to continue to pray for these gifts that will have a transformational impact.
