#### Message from the President

**Y**ou are the best. Last month, I put out an invitation to become a part of the Dr. Fenner McConnell-Matt Wantz Memorial Ride also known as the Fenner Ride. It was truly amazing to see the number of cyclists and support personnel. Of course, we all wanted to be out there on that fantastic Saturday, but some of you chose to ride Fenner virtually and still signed up, supporting Big Brothers Big Sisters of Northwest Florida.

A tip of our helmets goes to Dana Hall and Felicia Rabb from BBBS as they spearheaded this awesome event. We would also like to draw attention to their staff and volunteers as without them, this celebration of life would not be possible. Also, as many of you know, the military sent volunteers to help direct traffic and provide

support at the relief station throughout the route. We are indebted to them.

This Wednesday, November 11, we will be hosting the Veterans Day Ride from Veterans Park (200 S 10th Ave, Pensacola, FL 32502) at 7:00 AM. We will have three ride groups.

Please check this issue for three other special rides—the BikeMS Century, the Thanksgiving Trek and the Black Friday Escape.

Our end of year banquet is set for December 6 at Cactus Cantina (5121 N. 12th Ave.) at 5:30 PM. Please make every effort to attend as there is no cost to members.

I want to personally thank Scott and Jen Kerbow for all of their work over the past three years. It has truly been an honor to serve with you and we have all benefitted from your dedication!

Presently, we are acquiring new Board members for 2021. We are excited that Mike Gross has offered to serve as Secretary/Recorder and Konrad Gill has volunteered to take the position of Advocate. Jeff Williamson has agreed to move up from Advocate to Vice President and Chris Huffman will be taking over Membership.

Finally, we have begun our 2021 Membership campaign. Thank you for those of you who have already signed up. Here is the [link](#) for the 2021 registration and there is a t-shirt option at an additional cost. Thank you and I will see you out there! —Jon

## Dr. Fenner McConnell Matt Wantz Memorial Ride

Enjoy these photos from the Fenner Ride which was held on October 31. Thank you to all who participated this year. Yes, the event was sold out due to all of you wanting to enjoy a great ride while supporting Big Brothers Big Sisters of Northwest Florida.

Please check out more photos on BBBS Facebook page by following this [link](#).

# IRONMAN®

## Florida Ironman

We are honored to have three Ironmen Wheelmen! Many try, but few actually go through the training and dedication to finish the 2020 Florida Ironman which was held November 7 in Panama City.

Kim White (pictured right) finished in 17th place in her Division finishing in 12:51:24.

Carol Gentry,

who is pictured to the left, completed the Ironman in 15:24:53. This earned her a 7th place finish in her Division.

On the bottom of the page is Vic Bindi who was able to finish in 13:01:17. He placed 43rd in his Division.

Congratulations goes out to all participants! We hope that we had a little something to do with your greatness.

Finally, a special thank you goes out to Tracy Gilbert and Valerie Shows for capturing these athletes in motion. An athlete is only as good as his or her support team.

## Another Benefit of Club Membership

Several club members are participating in the Therabody Better Together 180 on Strava. Donna Stone (wife of Brian Stone of CycleSports) recently donated a Theragun Elite® for the Wheelmen so we can optimize our warmup and recovery on club rides.

The Theragun is a massage tool that utilizes percussive therapy to treat muscle soreness and relieve pain. The device has increasingly been used by, and found effective for, everyone – from professional athletes to weekend warriors and everyone in between.

It is an effective warmup tool to use on muscle groups in only 30 seconds prior to a ride. In as little as two minutes after a ride, it provides more therapeutic comfort than a 15 minute massage.

Donna is a massage therapist and has been using the Theragun on clients for two years with excellent results. If you are looking for a sports/wellness massage therapist, or have questions about Therabody, please contact her through a text or voice at 850.433.3050.

To try out the Theragun® text or call Chris at 850.375.7239.

## November 2020 Weekly Rides

### 5:30 PM: Monday Meander

WSRE Parking Lot 12th and College Blvd.

*The Wheelmen Club version of the "Slow Ride"! The pace is 16-18 MPH. The route has been adjusted due to the construction on Langley Ave. Helmets are required but not spandex. Come on out for a casual nearly flat ride! Beginners welcome!*

### 6:00 PM: Tempo Tuesday Loop

Ride More Bicycles 59 E. Gregory St.

*The WFW Tempo Tuesday ride is very fun and popular and starts downtown at the RMB store! Moving pace 17-21 MPH. If you drop off the back we have several re-group points along the route. If you miss the 6:00 PM start from RMB, the group cruises through the Summit & Maygarden around 6:30 PM so feel free to hop in there.*

### 9:00 AM: Wednesday Touring Ride

Different starting locations (usually in Santa Rosa County). Please see the full information for each ride, including changes to the ride day due to weather which are posted on the Blackwater Cyclists Facebook page: <https://www.facebook.com/groups/Blackwatercyclists/>

*The ride concept is a slower paced social ride averaging between 13 and 15 mph. Most rides will involve a group meal stop mid-ride or at the end of the ride. Average distance will typically be between 40 and 60 miles.*

### 5:30 PM: Wednesday Worlds

WSRE Parking Lot 12th and College Blvd.

*Each Wednesday, we gather at Pensacola State College for a 28 mile, no stop loop. A Group speeds along at 20+ mph, B Group rides at 17-19 mph and C Group cruises at 16-17 mph.*

### 6:00 PM: Thursday Night Sunset Ride

Trek Bicycle Store 701 E. Cervantes St.

*If you are looking for a quick-paced B+ Group ride, come on out and give this a try! This route is approximately 32 miles but it also has a 18 mile drop-off if you need a shorter option. Come out and join us for some cool evening fun! Lights are required.*

### 7:00 AM: Saturday Long Ride

Groups normally ride out from Summit & Maygarden or from behind Bagelheads at 916 E.

Gregory St. Please check the WFW [calendar](#)  
*The ride on Saturday rotates through six different courses; however, at times, the route and start time can change depending upon conditions. The ride length is between 40-60 miles. This is normally a Solid B Group ride (17-19 mph) although A Group cyclists are known to split off from the peloton. The B Group is a no-drop ride.*

### 7:30 AM: Saturday WFW in the Country

Blackwater River State Forest

*Meet in the parking lot across the street from Truly Spokin' 5172 Stewart St. Milton. The ride has been a staple of the area for 19+ years and counting with anywhere from 20 to 50 riders on any given Saturday. There are seven convenience stores located 15 to 28 miles from the trailhead start/finish. One of these stores is the usual Saturday destination. The distance of the ride will vary from 42 to 55+ miles and is typically posted by Thursday afternoon on the Blackwater Cycling Facebook page. The pace varies as well. You can typically expect 2 to 3 groups of riders with a Blackwater pace scale as follows:*

A group—Riding speeds of 22 to 30 MPH

B group—Typical riding speeds are 18 to 24 MPH

C group and lower—Anticipate riding speeds of 15 to 20 MPH

### 2:30 PM: Sunday WFW All Together

NAS Back Gate Loop

Bayview Park 2172 E. Mallory St.

*Fall marks the return for this fun 30-mile loop to the west side. No Drop Ride. Moderate to Fast pace.*

**MORE TRAILS. + MORE THAN EVER.**

JOIN PORC

Mountain biking has helped many of us clear our heads, stay healthy, and it's been an important escape from isolation. Chances are, as mountain bikers, we've looked down a familiar trail and appreciated it more than ever.

However, most of us are seeing more people on the trails than ever before. More people riding is a good thing. But, overcrowded and overused trails also create new challenges. Trails need advocates and stewards and your IMBA Local Partner needs you!
