Clyde L. Gracey Community Center
5629 Byrom St. Milton, FL 32570
Starting at 7:30 AM

18, 42, 62, 100 Mile Options
Medals for Century Riders

This cycling event is dedicated to the memory of Fenner McConnell and Matt Wantz. Both men were avid cyclists and former members of the West Florida Wheelmen. Dr. Fenner McConnell, a medical examiner for a four-county district in the Panhandle, was killed in 1998 by a hit-and-run driver as he rode his bicycle across the Bob Sikes Bridge, which connects Pensacola to Santa Rosa Island. Matt was tragically killed while working in a local bike shop.

A big benefit of membership in the West Florida Wheelmen Club is Ride with GPS. All WFW members have free access to Ride with GPS premium navigation features on all club routes and events. This enables Wheelmen members to download turn-by-turn navigation on their cycling computers or smartphones.

Features Include:

- Voice navigation in the Ride with GPS mobile app
- Offline maps in mobile app
- PDF maps and cue sheets
- Advanced turn notifications with TCX files
- Estimated time of route

[Club Account Member Benefits Page](#)

How do I get this?

Step 1: [Join/Re-join WFW](#) (if you are already a WFW member, skip to Step 2).

Step 2: [Join the WFW Club account w/ Ride with GPS.](#)

Step 3: You will receive an email from our club administrator to activate your membership.

That's all you need to do! So for just a \$35 (\$50 family) WFW membership, you will receive this helpful RWGPS benefit (\$60/yr value!) plus all of our other benefits!

If you have any problems, please reach out to membership@westfloridawheelmen.org

September Slow Ride!
Saturday September 20th 10:00 AM
Malaga Square East Hill
1501 N. 11th Ave.

Join Bike Pensacola for the most popular bike ride in town—the Slow Ride! Each month we explore the quiet, scenic streets of Pensacola’s many historic neighborhoods for a fun and leisurely ride among friends. Next month we start at Magala Square Park in East Hill.

Because most cyclists are “self taught,” each month we offer information about bicycle laws, safety tips, and addressing different bicycling skills that will help keep rides safe and enjoyable. There is no charge for the ride and no registration required.

The ride will be about one hour and ten minutes long, at a casual pace. Nobody will be “dropped” or left behind. Children ages

10 - 16 must be accompanied by an adult; no kids under 10 on their own bicycle. Cyclists under 16 must wear a helmet by law; ages 16 and up helmets are recommended but are not required by law. And we will enjoy a ride escort by officers of the Pensacola Police Department.

A few more things:

- no dogs or other pets - they’re not covered by our insurance
- bicycles only please, and only self-propelled or electric-assist; trikes are fine; elliptigos are fine;
- no bicycles with training wheels
- no Segways, skateboards, scooters, or gasoline-powered motorized bicycles; again, bicycles only
- no alcohol consumption during the Ride
- please make certain that both you and your bicycle are healthy and well-maintained so that you can safely ride about six miles. Please do not attempt the Ride if you cannot ride six miles at 6 mph.

LLOYD'S BIRMINGHAM GROUP (BCC) GETTING
READY TO HEAT IT UP!

Join Chris, Darla, Konrad, Teresa and Patrick as they lead us on Monday, Wednesday and Saturday to learn how to ride longer and stronger!

The C2CK program is designed for people who can ride a bike albeit they need to improve their skills. Many cyclists need help in learning how to ride in groups and how they can increase their strength and endurance.

The weekly calendar is posted on westfloridawheelmen.org/calendar and it is listed under the C2CK heading. Each week, the mileage increases although the speed of the cyclist does not. Basically, you should be able to ride 13 mph (5 minute mile) on level ground.

If a rider completes the program, he or she will be able to ride 100K (62 miles) on the Fenner Ride held on the last Saturday in October.

What you need to bring:

1. A healthy you. This does not mean you have to be fit, just active. Cycling can be an intense sport. Please contact your doctor before beginning any fitness program.

2. Reliable bike. We do not have time to adjust, fix or properly fit a rider to their bicycle. All repairs and fitting should be done prior to ride participation.
3. Helmet. Again, this must be a good bike helmet in excellent condition and fits properly.
4. Small repair kit/bike bag. Stuff happens. We get that, but you have to be prepared. At the very least, you should have a new tube (not a patch kit), tire levers, and a pump or CO2 canisters.
5. Bike lights. This is not required but lights increase visibility and safety.
6. An awesome attitude to learn, contribute and ask questions.
7. Membership in the West Florida Wheelmen. You do not need to be a member for your initial ride; however, you will be asked to sign a waiver so you and others will be covered by insurance. The waiver may be viewed by beginning the registration process from our website at westfloridawheelmen.org/about

If you just desire to ride with the C2CK group but do not intend to eventually ride 100K, that is fine. We do not take any sworn statements or blood commitments.

Sunset Ride
Pensacola Beach!
Sunday, August 20, 2023
Roll out at 6:45 PM if weather permits
 1336 Fort Pickens Rd., Pensacola Beach

Don't miss this super scenic cruise ride which is great for the family on this beautiful secluded part of Pensacola Beach. Any kind of bike will be fine on this 15 mile round-trip to the Fort and back. Bring your lights and pass or \$10 in case needed for the park entry. We usually have enough passes to cover everyone, if there is a park ranger at the gate (usually there isn't).

Start/Finish at [Park West parking lot](#) - Soundside

We will stop and regroup at the Ft. Pickens fishing pier and watch the sunset before returning back to the parking area.

Glacial Drumlin State Trail

REPRINTED FROM WEBSITE

The 52-mile Glacial Drumlin State Trail between Cottage Grove and Waukesha provides a glimpse into the past when glaciers bore down on southeastern Wisconsin in the last Ice Age. The rail-trail in fact runs concurrently with the Ice Age Trail, a 1,200-mile hiking path across Wisconsin, for about 2 miles near Wales.

Wood-planked bridges now provide popular features on the trail as viewpoints for the wetlands, where a host of wildlife thrives.

Beginning in Cottage Grove, you'll head east for about 40 miles on a crushed-stone surface until you hit pavement in Dousman, one of many small towns along the trail providing rest, refreshment, and exploration.

GLACIAL DRUMLIN
STATE TRAIL

Camping is available at Sandhill Station State Campground, 1.3 miles south of the depot on Mud Lake Road. While you journey through small towns and the communities of Helenville, Sullivan, Dousman, and Wales, you'll find nearby restaurants and grocery stores.

Outside of Dousman, the crushed-stone surface ends, and the final 13 miles to Waukesha are smooth pavement. Even with the smoother surface, you might notice the grade increase as you pass south of the Lapham Peak Unit of the Kettle Moraine State Forest.

State campgrounds are located in Lake Mills, Dousman, and Delafield.

NOTE: A State Trail Pass (\$25 annually/\$5 daily) is required for bicyclists and in-line skaters ages 16 and older. State Trail Pass.

For more information on the trail click [here](#).

Have you ever wondered why you did not get the message that a ride was postponed or cancelled? Or you may want to invite others on a special ride you've created. Well, we'd like to cut you some slack.

Yep! Slack is a communication app which we tested last year and found it to be a useful tool for your saddlebag. Well, not really, it's for your phone or computer. No extra cost. And, yes, one more thing to keep up with, 'cause you really wanted to ride your bike during a 105° day just to make fun of those who had a little more sense.
