Message from the President

What a phenomenal Independence Day Celebration with our ride on the fifth of July! I would like to thank all of you who participated and please make plans now to join us for special rides on Labor Day weekend and Veterans Day.

Just as a reminder—we have five groups on these rides ranging from 17-64 miles. Our D group averaged 11 MPH for their 17 miles. No excuses.

Plan now to join us for the MS 150 Tour de Beach and the Matt Wantz-Dr. Fennell McConnell rides. There is a discount code for Wheelmen members for the Fenner Ride.

We have just launched our new website which features a number of new and improved navigation tools. I would like to thank WFW member, Jay Massey, who brought in Coco Design to help us with this hefty project.

WE WERE HONORED TO HAVE BEN LINDEMANN RETURN TO PENSACOLA AND CAPTURE OUR SUNSET-FULL MOON RIDE START!

With this website transition, our email addresses are changing also. We will monitor our old addresses; however, direct your communications to the linked email addresses in the blue box.

In this issue, we have included some of the bicycle laws which went into effect in July. Take a moment and review them. Of course, it may take a while for enforcement to happen, but this is progress in the right direction.

How many times have you noticed breaks, debris and garbage on the road? We have included a page on important numbers to report hazardous conditions. If you see something on the road which needs to be corrected, please use the information to reach out to the proper agency.

Please carry identification or emergency contact information. Three options are:

- Wearing a Road ID! If you no longer have the discount code, email [Chris](#).
- Entering emergency information into your phone.
- Carrying your drivers license and update the emergency contact information by clicking here: <https://services.flhsmv.gov/eci/>

Our membership count is 224! Take a look at the last page of this issue of Cycling News to ascertain if your name is listed. If it is not on the membership page, please take a minute and [sign up](#) or [renew](#). Stay hydrated! —Jon

Independence Day Celebration Ride

We are back from Bike Ride Across Georgia (BRAG)! Twelve West Florida Wheelmen cycled 355 miles and climbed 14,000 feet during this week-long adventure in June. We are already making plans to go back next year so get ready for an awesome time with 800 of your cycling friends! *Stay tuned for dates and additional information for 2022.*

STRAVA

August DirtyDuro Challenge - 2021

Click on the link to look over the Strava segment and go hit the trails. <https://www.strava.com/segments/29363077>

Record your ride via Strava app and make sure you're an active PORC club member. Go here if you need to join or renew <https://www.imba.com/join/chapter/porc>

Route details: Start is at the Spooky drop-in. Then follow the yellow inside loop spooky>spinal tap>sparkleberry and turn back onto horsehuz to the next section which is 720.

At the bottom of 720 continue down into the bottom half of Donkey Kong onto Paperboy and once you come to Qix make a hard left turn. Instead of continuing straight all the way out twister make sure to turn LEFT and go backward around Horsehuz to the Bedrock trail.

Follow the plates to finish this challenge and if this is your first time riding this segment watch for the last drop before the finish.

A big benefit of membership in the West Florida Wheelmen Club is Ride with GPS. All WFW members have free access to Ride with GPS premium navigation features on all club routes and events. This enables Wheelmen members to download turn-by-turn navigation on their cycling computers or smartphones.

Features Include:

- Voice navigation in the Ride with GPS mobile app
- Offline maps in mobile app
- PDF maps and cue sheets
- Advanced turn notifications with TCX files
- Estimated time of route

spandex. Come on out for a casual nearly flat ride!
Beginners welcome!*

6:00 PM: Tempo Tuesday Loop

Ride More Bicycles 59 E. Gregory St.
*The WFW Tempo Tuesday ride is very fun and
popular and starts downtown at the RMB store!
Moving pace 17-21 MPH. If you drop off the back
we have several re-group points along the route. If
you miss the 6:00 PM start from RMB, the group
cruises through Summit & Maygarden around
6:30 PM so feel free to hop in there.*

9:00 AM: Wednesday Touring Ride

Different starting locations (usually in Santa
Rosa County). Please see the full information for
each ride, including changes to the ride day due
to weather which are posted on the Blackwater
Cyclists Facebook page: <https://www.facebook.com/groups/Blackwatercyclists/>

*The ride concept is a slower paced social ride
averaging between 15 and 17 mph. Most rides will
involve a group meal stop mid-ride or at the end of
the ride. Average distance will typically be between
40 and 60 miles.*

5:30 PM: Wednesday Evenings

WSRE Parking Lot 12th and College Blvd.
*Each Wednesday, we gather at Pensacola State
College for a 25 mile, no drop loop. A Group speeds
along at 20+ mph, B Group rides at 17-19 mph
and C Group cruises at 16-17 mph.*

NEW RIDE!

5:30 PM: Thursday Beach Ride

*5:30 PM roll out for the awesome Around the
Sound loop! This grand loop hugs the Intercoastal
Sound through Gulf Breeze, Midway, over the
Navarre bridge and back on our world class beach
road. Rest stop in Navarre Beach (Tom Thumb).
Meet at the beach ball water tower. No Drop Ride.
Moderate to fast pace. 42 miles.*

6:30 AM: Saturday WFW in the City

Groups normally ride out from Summit &
Maygarden or from behind Bagelheads at 916 E.
Gregory St. Please check the WFW [calendar](#)
*The ride on Saturday rotates through six different
courses; however, at times, the route and start time
can change depending upon conditions. The ride
length is between 40-60 miles. This is normally a
solid B Group ride (17-19 mph) although A Group
cyclists are known to split off from the peloton. The
B Group is a no-drop ride.*

7:30 AM: Saturday WFW in the Country

Blackwater River State Forest
*Meet in the parking lot across the street from Truly
Spokin' 5172 Stewart St. Milton. The distance of the
ride will vary from 42 to 55+ miles and is typically
posted by Thursday afternoon on the Blackwater
Cycling Facebook page.*

A group—Riding speeds of 22 to 30 MPH

B group—Typical riding speeds are 18 to 24 MPH

C group and lower—Anticipate riding speeds of 15
to 20 MPH

NEW RIDE!

7:00 AM: Sunday S'cool Ride

Summit and Maygarden
*Are you looking for a ride which will get you home
in time for church? This is a slower paced recovery
ride which should have you home by 9:00 AM.
Join us for this 21-mile loop from the north to
downtown Pensacola. Stay together C group ride.*

Are you ready to join us for the 2021 Backroads
 "Capital City" Cycling Safety Party Ride in
 Montgomery? We will have all of the fun and
 excitement you have come to expect from the
 Montgomery Bicycle Club celebrating again for 2021.

We are still *full gas* for [2021 Membership!](#) The COVID-19 virus may have slowed us down a little; however, we are still planning divided group rides and other events for August including special meet-ups!

This would be an excellent time to review your goals as we hit the middle of summer. Objectives are short-term goals. If your goal is to complete a century, your objectives should be to complete 40, 50, 60, and 75 mile rides. Many of our rides fit into these distances, but we all have to stay at it.

This is an great opportunity to control your weight and improve your immune system! We had exceptional miles throughout the year and our ultimate goal for you is more miles unless you were in our Top 20 last year. Try to move over a column or up a few places this year on the leaderboard.

In order for us to tally your miles, please join us on Strava by asking to join the [WFW Strava Club](#). Remember, you have to be a Wheelmen member to join.

The West Florida Wheelmen club exists because of you and me and our love to ride our bikes. WFW is always open to new ideas so, please feel free to reach out to any of your board members. You can email us at membership@westfloridawheelmen.org or check out our club website at westfloridawheelmen.org. We are also on [Facebook](#), [Twitter](#) and [Instagram](#).

You always have a voice and we encourage our membership to be involved. Presently, the board meetings are being held at our president's home. If you would like to attend one of these meetings, please contact Jon Tate at president@westfloridawheelmen.org. (This helps in knowing the numbers for attendance.)

Lastly, we appreciate you—our members! Thank you for sharpening each other. Our club would not exist without you!

Membership and its Privileges

- Several weekly rides which are published in this issue.

Larry Drake, Lloyd Maisonville and Tom Johnson (pictured below) completed the 80 mile, 6000' of elevation event. Although this was timed,

Lloyd related they took the opportunity to ride the course, enjoy the scenery and share time with friends. Great conversations were had at each rest stop, as they encouraged strangers along who may have been a little off their game. Lloyd

said they enjoyed the after party, maybe a bit too much, as they caught up with their Fairhope friends. Overall, it was a fantastic day on the bike!

Sunset Full Moon Ride on Pensacola Beach!

Sunday, August 22, 2021

Roll out at 6:45 PM

1336 Fort Pickens Rd, Pensacola Beach, FL 32561

Don't miss this super scenic cruise ride which is great for the family on this beautiful secluded part of Pensacola Beach. Any kind of bike will be fine on this 15 mile round-trip to the Fort and back. Bring your lights and pass or \$10 in case needed for the park entry. We usually have enough passes to cover everyone, if there is a park ranger at the gate (usually there isn't).

Start/Finish at Park West parking lot - Soundside (just prior to entering the park)
Address: 1336 Ft. Pickens Rd., Pensacola Beach

We will stop and regroup at the Ft. Pickens fishing pier and watch the sunset, then return with the beautiful full moon in our face!

Bicycle & Pedestrian Safety Law Recap

Reprinted from Florida Bicycle Association
Jim Dodson

<https://floridabicycle.org/2021/07/bicycle-pedestrian-safety-law-recap/>

For far too long Florida has led the country in the number of injuries and fatalities suffered in bicycle crashes. Fortunately an effort to mitigate that sad statistic and to increase safety for cyclists on our roads is being made.

The state legislature has passed a new bicycle safety law [F.S. 316.003] effective July 1, 2021, and the following is a seven-point summary of its key features. Some of the features are new and some are tweaks to existing law.

- Vehicle drivers overtaking a bicycle, electric bicycle, or non-motorized vehicle occupying the same travel lane or bike lane must pass the bicycle at a distance of at least 3 feet. If motorists cannot safely make such a pass, then they must remain at a safe distance behind the bicycle until they have a 3-foot buffer space and can safely clear the rider.
- In no-passing zones, drivers may briefly drive to the left of the center of the roadway and/or a double yellow line to pass a bicycle or other non-motorized vehicle or electric bicycle.
- At right turn intersections, when drivers are overtaking and passing a bicycle rider proceeding in the same direction, they must make the turn as close as practicable to the right-hand curb or edge of the roadway. They must also signal and make the turn only if the cyclist is at least 20 feet from the intersection. That is what the state legislature has determined to be the distance required for a safe turn, hopefully preventing right-hand hook crashes. In my view this distance is far from adequate in the real world.
- Cyclists intending to turn left in an intersection are entitled to the full use of the lane from which the turn may legally be made. They must, whenever possible, make the left turn in that part of the intersection to the left of the center of the intersection.
- If a bike lane is available, cyclists must ride in it.
- When cycling on a roadway or in a bike lane, riders may not ride more than two abreast except on a designated bicycle path. If the bicycle lane of a roadway is too narrow to allow two persons to ride abreast, they must ride single-file within the bike lane. On roads that are substandard in terms of width cyclists may temporarily ride two abreast only to avoid hazards or to overtake another cyclist.
- When cyclists riding in a group stop at a stop sign—after coming to a full stop and obeying all traffic laws—they may proceed through the stop sign in a group of 10 or fewer at a time. Motorists are required to allow such a group to ride through an intersection before proceeding.
