## Message from the President

I hope this newsletter finds everyone doing well. It is well known that exercise can help manage stress, boost the immune system, and improve energy levels. However, when I saw a video of a group ride, and discovered how this virus is transmitted, I knew that we had to stop all WFW group rides.

After viewing the CDC guidelines, and with the governor putting cycling on the permitted activities list, we felt that initiating group rides was the right thing to do for the membership.

Some may choose not to attend, or maybe even disagree openly, and that is their right, but as a club we would like to give everyone an option to ride in a group to get in some exercise and fellowship.

With that being said, ride leaders will ensure the following requirements are being met on all future WFW group rides:

1. No groups larger than 10 riders. If there are more than 10 riders, break it down into smaller groups with each group having a ride leader. This is already taking place on most rides; A, B, and C Groups.
2. No side-by-side riding (two abreast). This will ensure that all riders maintain the recommended 6 feet distance.
3. No bunching up at lights or stops. Maintain your social distance.
4. If you must clear your nose or mouth, go to the back of the line to do so.
5. And if you feel sick or think you might be catching a cold, please stay at home.

With these requirements put into place, I believe we can show the community that we are being responsible and setting the example for all other cyclists in the area.

We have finalized our new 2020 Club kit, and it should be on sale here within the next month.

I would also like to thank our sponsors, Lloyd's Glass, Subway, AppRiver, Saltmarsh Cleaveland & Gund Accountants, Primary Residential Mortgage, Inc, J. Chandler Custom Homes, and Salvator and Associates Insurance Agency, Inc. for their generosity in promoting cycling safety and advocacy in the greater NWFL area.

Your board has been hard at work creating new rides for the membership! The Top of Florida ride will be held this fall, moved from its original date in early April, along with a loop of lower Escambia and Baldwin counties, known as the Tour de Brew to come up during that time as well. The turnout for the Battleship ride was such a success and these types of rides are definitely going to be on our future ride calendar!

We have the new dark blue tech style T-shirts for sale at \$10 each and free WFW magnets!

Stay safe and stay healthy, and we'll see you on the rides (but no high fives, just a wave!). —Jon

**Virtual Ride**

*Please see below*

As many of you know, we are not having our normal annual Ride of Silence due to COVID-19. This ride is set aside each year to remember bicyclists who have been struck by motorists. It also serves as an opportunity for motorists to be aware of bicycles on our roads and to promote cycling safety.

We are encouraging you to ride solo, with your family or “virtually” (on a trainer) on May 20th or 23rd.

If you choose to participate, please:

1. Ride in silence.
2. Remember and honor those who have been hit and killed or seriously injured while riding.
3. Ride slowly and for a relatively short distance, this is not a race.
4. Wear a helmet and obey road laws for bicyclists.

Take a selfie photo or two and use the hashtags #RideofSilence2020 #wfwrides #pensacola when posting your ride on social media. If we already follow you on Strava, feel free to use this platform to post your ride and photos. You may also post to this our page or to the national Ride of Silence Facebook page: <https://www.facebook.com/rideofsilence/>

This will allow us to record how many people participated this year, and it will serve as a resource for media outlets researching stories about the RoS events around the world.

On the following column, we have listed cyclists whom we remember. Please, if you know the name of a cyclist who is not listed, email us at [advocate.wfw@gmail.com](mailto:advocate.wfw@gmail.com) so we may acknowledge them.

## 2020 Sponsors!

Many thanks to our 2020 sponsors! We appreciate all that you do to make our community safer and more enjoyable.

Subway has signed on to be a Gold Sponsor. Subway has been with us for many years and we are grateful for all of the support which Jeff Boulton has arranged over the years. We are excited that they are with us once again.

Lloyds Glass has recently increased their support from being a Silver Sponsor to becoming a Gold Sponsor. We are encouraged by this as it will enable us to increase our advocacy support. Thanks goes to Ian and Barry Lintner for making this happen.

Stephen Reyes assisted the West Florida Wheelmen in acquiring a Silver Sponsorship from Saltmarsh, Cleaveland & Gund. This is the first year of their participation and we appreciate the work Stephen placed in this.

AppRiver is now with us, also. Michael Percy was able to acquire support from AppRiver in the form of a Silver Sponsorship. This is also their first year of sponsoring us and we look forward to a great relationship with them.

J. Chandler Homes has returned to the West Florida Wheelmen once again. Woody Chandler is an avid cyclist and he has been an important part of our community and club for a number of years. Thanks goes to Woody for being a Silver Sponsor.

Although Avi Bastajian is no longer serving as our president, he is still engaged in supporting us. His company, Primary Residential Mortgage, Inc., is continuing their Silver Sponsorship of the West Florida Wheelmen. As some of you may recall, PRMI was the signing sponsor of the 2019 Dr. Fenner McConnell-Matt Wantz Blackwater Heritage Century.

Salvator & Associates Insurance Agency has signed on as a Bronze Sponsor. This is their initial year of support and we welcome them to a part of the West Florida Wheelmen team. Again, thanks goes out to Jeff Boulton for arranging for their support.

## 2020 Cycling Miles as of May 2nd

We try to stay on top of your miles for the year; however, sometimes we miss a West Florida Wheelmen member who would like to have their miles listed. ## Battleship Ride before COVID-19

We had a fantastic ride to the Battleship Park and many of our Alabama brother and sister cyclists joined us for this epic ride. In addition to being an important part of our massive peloton, they joined the West Florida Wheelmen as new members. A special thank you goes out to our treasurer, Jeff Boulton of Subway, and Mark Woolson of Truly Spokin' for supporting this century ride!

### Many Thanks to CycleSports!

Ahmad met Ian one day when Ian was working on Macy's bike. They quickly bonded and Ian approached Brian at CycleSports who was quick to hook up Ahmad with a fresh ride. Although Ahmad is only five years old, he has been able to routinely match his age in miles ridden! We are so proud of Ian for bringing others to his wheel!

### And finally...

We are still in the process of taking requests for West Florida Wheelmen cycling socks. We must sell at least seventy-two pair in order for us to purchase these. There has been interest, but still not enough for us to make the purchase. Cost would be \$10 per pair. Should there be enough orders, we are looking at having these available by the summer. If you cannot ride another season without a pair of these, please click [here](#) to notify us of your interest.
