Message from the President

Please sign up for the Dr. Fenner McConnell and Matt Wantz Ride presented by Big Brothers Big Sisters of Northwest Florida. We want *100 percent participation* from our Club! The event will be held October 31 from the Milton Community Center.

Considering all of the cycling events which have been cancelled this year, here is an opportunity for all of us to participate in our annual hallmark event! There will also be a virtual option which allows you to still acquire the medal and shirt. There will be safety measures in place and there will be a staggered start. Also, you will be entered into a drawing for this year's Fenner jersey! Again, please make every effort to join the excitement and celebration!

Cycling News

Keeping you informed and upright!

EMILY SNAPPED THIS PHOTO RECENTLY. EVEN WITH THE EVENTS OF HURRICANE SALLY, IT IS NO SURPRISE WE CHOOSE TO LIVE HERE.

And just like that, the bridge is closed. Some of our favorite areas are not open due to Hurricane Sally and we are sad that we have to postpone the annual We Remember Roger Ride until next year. RRR was scheduled for the 17th of October; however, Vicki's home suffered damage and our normal routes have been inundated with motor traffic.

We had the opportunity to join KC Byers and his team during his annual Rett Ride from Biloxi to Pensacola. We have a page dedicated to the ride in this issue. WFW didn't just ride but we are financially supporting the Rett Foundation thanks to you. It is still not too late to make a commitment to the Rett Ride by clicking [here](#).

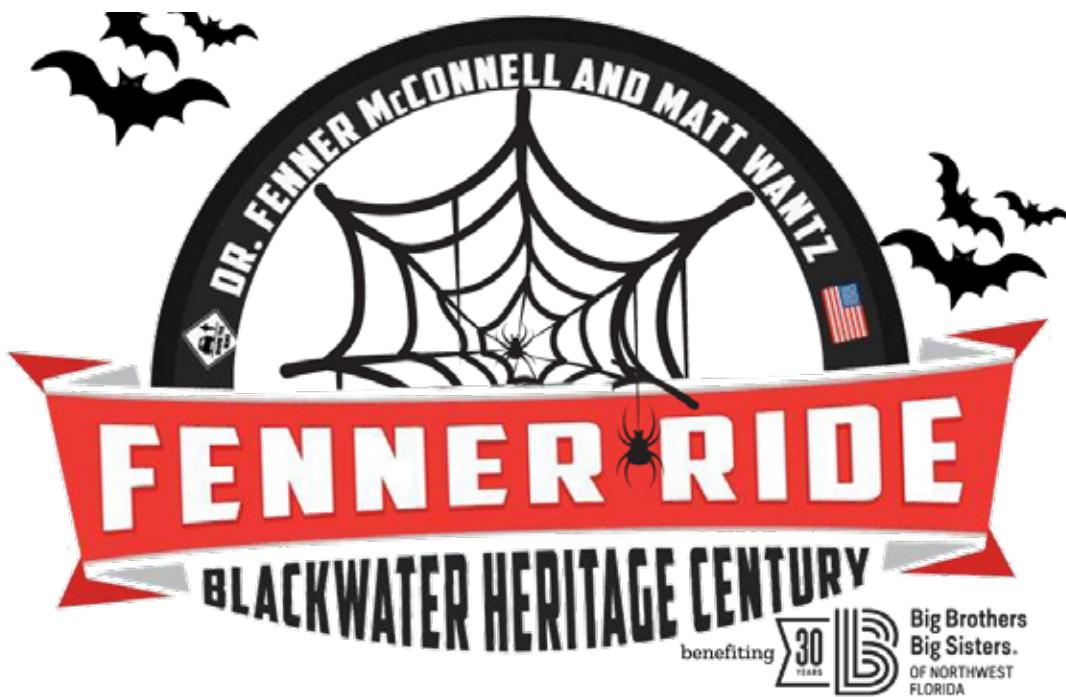

BikeMS Tour de Beach was turned into a virtual event, and we made our own century route; however, due to Hurricane Sally, we have moved the date to December 5th.

Thanks goes our to our PORC sisters and brothers for clearing UWF trails. Please follow them on [Facebook](#) for additonal clean-up dates.

We are also looking to December 6 for our end of year banquet. Please pencil in that date and details will follow later.

Finally, please ride safely. There is a lot of debris in Florida, Alabama, Mississippi, and Louisiana. Of course, more will be added to these piles thanks to Hurricane Delta.

Thank you and STAY HYDRATED! —Jon

October 2020 Weekly Rides

5:30 PM: Monday Meander

WSRE Parking Lot 12th and College Blvd.

The Wheelmen Club version of the "Slow Ride"! The pace is 16-18 MPH. The route has been adjusted due to the construction on Langley Ave. Helmets are required but not spandex. Come on out for a casual nearly flat ride! Beginners welcome!

6:00 PM: Tempo Tuesday Loop

Ride More Bicycles 59 E. Gregory St.

The WFW Tempo Tuesday ride is very fun and popular and starts downtown at the RMB store! Moving pace 17-21 MPH. If you drop off the back we have several re-group points along the route. If you miss the 6:00 PM start from RMB, the group cruises through the Summit & Maygarden around 6:30 PM so feel free to hop in there.

9:00 AM: Wednesday Touring Ride

Different starting locations (usually in Santa Rosa County). Please see the full information for each ride, including changes to the ride day due to weather which are posted on the Blackwater Cyclists Facebook page: <https://www.facebook.com/groups/Blackwatercyclists/>

The ride concept is a slower paced social ride averaging between 13 and 15 mph. Most rides will involve a group meal stop mid-ride or at the end of the ride. Average distance will typically be between 40 and 60 miles.

5:30 PM: Wednesday Worlds

WSRE Parking Lot 12th and College Blvd.

Each Wednesday, we gather at Pensacola State College for a 28 mile, no stop loop. A Group speeds along at 20+ mph, B Group rides at 17-19 mph and C Group cruises at 16-17 mph.

6:00 PM: Thursday Night Sunset Ride

Trek Bicycle Store 701 E. Cervantes St.

If you are looking for a quick-paced B+ Group ride, come on out and give this a try! This route is approximately 32 miles but it also has a 18 mile drop-off if you need a shorter option. Come out and join us for some cool evening fun! Lights are required.

7:00 AM: Saturday Long Ride

Groups normally ride out from Summit & Maygarden or from behind Bagelheads at 916 E.

Gregory St. Please check the WFW [calendar](#)
The ride on Saturday rotates through six different courses; however, at times, the route and start time can change depending upon conditions. The ride length is between 40-60 miles. This is normally a Solid B Group ride (17-19 mph) although A Group cyclists are known to split off from the peloton. The B Group is a no-drop ride.

7:30 AM: Saturday WFW in the Country

Blackwater River State Forest

Meet in the parking lot across the street from Truly Spokin' 5172 Stewart St. Milton. The ride has been a staple of the area for 19+ years and counting with anywhere from 20 to 50 riders on any given Saturday. There are seven convenience stores located 15 to 28 miles from the trailhead start/finish. One of these stores is the usual Saturday destination. The distance of the ride will vary from 42 to 55+ miles and is typically posted by Thursday afternoon on the Blackwater Cycling Facebook page. The pace varies as well. You can typically expect 2 to 3 groups of riders with a Blackwater pace scale as follows:

A group—Riding speeds of 22 to 30 MPH

B group—Typical riding speeds are 18 to 24 MPH

C group and lower—Anticipate riding speeds of 15 to 20 MPH

2:30 PM: Sunday WFW All Together

NAS Back Gate Loop

Bayview Park 2172 E. Mallory St.

Fall marks the return for this fun 30-mile loop to the west side. No Drop Ride. Moderate to Fast pace.

YEARS OF CYCLING
TOGETHER BY
TOURING OHIO.

Hello and welcome to the club—the 2020 West Florida Wheelmen (WFW)! Whether you are new to WFW or rejoining, we are looking forward to an exciting final quarter of riding. The COVID-19 virus may have slowed us down a little; however, we are still planning divided group rides and other events for the final part of the year!

This would be an excellent time to review your goals for remainder of the year. Many of us have put on a little weight due to the virus, so think about ways you can get healthier. It is no surprise that cycling helps to build up the immune system! Whatever the goal, don't forget to look us up on Strava and join in on the fun. We had impressive riding in the first nine months of 2020 and we will continue grabbing your miles throughout the year.

The West Florida Wheelmen club exists because of you and me and our love to ride our bikes. WFW is always open to new ideas so feel free to reach out to any of your 2020 board members. You can email us at advocate.wfw@gmail.com or check out our club website at westfloridawheelmen.org. We are also on [Facebook](#), [Twitter](#), [Instagram](#), and [Strava](#).

You always have a voice and we encourage our membership to be involved. There are many ways to do this such as attending a board meeting. Presently, these are being held at our president's home with social distancing or on Zoom. If you would like to attend one of these meetings, please contact Jon Tate at wfprez@gmail.com.

Lastly, we appreciate you—our members! Thank you for sharpening each other! Our club would not exist without you. Now, let's go out and *light the burners!*

Family Time

There is nothing like riding with the family. In the top photo, Gene Strickland is being pushed by his son and he can do this with his eyes closed!

Larry Drake and his little m u n c h k i n , Daileigh, enjoy cycling on the Eastern Shore.

And finally, Stephen Reyes, and his wife, Rachel, went exploring Columbus, Georgia recently.

As a reminder, Stephen was instrumental in acquiring one of our sponsors.

Another Benefit of Club Membership

Several club members are participating in the Therabody Better Together 180 on Strava. Donna Stone (wife of Brian Stone of CycleSports) recently donated a Theragun Elite® for the Wheelmen so we can optimize our warmup and recovery on club rides.

BEV MAYO RECENTLY USED THE THERAGUN ON A PAIN IN HER NECK. (NO, NOT DAVID.)

The Theragun is a massage tool that utilizes percussive therapy to treat muscle soreness and relieve pain. The device has increasingly been used by, and found effective for, everyone – from professional athletes to weekend warriors and everyone in between.

It is an effective warmup tool to use on muscle groups in only 30 seconds prior to a ride. In as little as two minutes after a ride, it provides more therapeutic comfort than a 15 minute massage.

Donna is a massage therapist and has been using the Theragun on clients for two years with excellent results. If you are looking for a sports/wellness massage therapist, or have questions about Therabody, please contact her through a text or voice at 850.433.3050.

AMelia and Austin Forever!

We are so excited to announce the engagement of Amelia Zweiler and Austin Bray! It is always special when two of our members fall in love with something other than cycling, and we wish you both a lifetime filled with unspeakable joy.

Ameilia and Austin are moving from Florida, and several of us were able to join them for their last club ride. By the way, Austin proposed to Amelia and then proceeded to drop her on the ride.

JUST WOW.
DEFINITELY RIDES MORE BIKES!

PORC wishes to thank the 30+ people who put in their time to help restore the trails after the destruction left by Hurricane Sally. Special thanks go to Bryan Crawford and Nick Graham from MSfits MTB in Mississippi.

Trail Status

The GAME'S side which is located north of Pate Rd is mostly ready to go. Pink and Purple loops are in the better condition. The Orange loop after the bridge on Donkey Kong needs a lot of love all the way through Paperboy to Qix so we would recommend staying off of those sections.

The Main Side has much work to do. Many large trees are still down and large holes from erosion and trees are pulling out of the ground. Be cautious and avoid the Main Side.

You can still help by joining PORC here —>
