## Message from the President

I would like to start off by saying, "Hello, and that I am excited to be taking over the position as club President!" Avi has done an outstanding job the last three years and I wish him the best in his future endeavors.

I originally returned to cycling three years ago as a way to lose weight, but had never ridden in a group or even belonged to a club. I feel that group riding is the safest way to train/exercise because you are more visible than just cycling by yourself.

I have met a bunch of great people that otherwise I would have never known. Along with the group rides, I have also attended the Bike

TRACY GILBERT TOOK THIS PHOTO DURING A RECENT BEACH RIDE.

Pensacola Slow Rides, Fenner/Wantz Big Brothers Big Sisters Century (twice), and numerous Alabama Backroad Century Series events.

Since the last newsletter came out, we have completed the annual Remembering Roger Ride and the Fenner Ride century. Both of these events were well attended and I would like to say thank you for everyone who sponsored, supported and attended these activities. Coming up, we will have the Battleship Ride in February, so please start preparing for this 100+ mile ride out to the USS Alabama in Mobile.

We have started accepting club membership renewals for the year 2020. Please join us in supporting bicycle advocacy and safety in this area, along with providing rider insurance for our many group rides. Renewals can be accomplished by visiting the club website at [westfloridawheelmen.org](http://westfloridawheelmen.org). Rates have stayed the same for 2020 for both individual and family membership options.

If you would like to become more involved in what goes on in your club, please make an effort to attend our monthly board meetings. We meet on the 4th Thursday of every month (December's will be on the 3rd Thursday, 12.19.2019). Our new meeting place will be at the YMCA downtown, Gulf Power room, at 5:30 PM. Everyone's input is appreciated at these meetings and our new meeting room has more than enough space to accommodate at least 40 people.

## 2019 Strava Cycling Miles as of November 27, 2019!

We try to stay on top of your miles for the year; however, sometimes we miss a West Florida Wheelmen member who would like to have their miles listed. Please reach out if you would like to have your miles published by emailing Chris Huffman at [advocate.wfw@gmail.com](mailto:advocate.wfw@gmail.com)

## Remembering Roger Ride 2019!

Our heart-felt thanks goes out to Vicki Grooters for all of her work in remembering Roger's legacy! It was certainly a memorable occasion for all of us.

## Message from the Past President

What a fantastic year behind us and there's still plenty of activities in the future! This is the time of year which many of us enjoy. Although the shortened days are here, so are the cooler temperatures.

Our end of year banquet took place on December 1, 2019 at Scenic Hills Country Club. Although I was not able to be there, I have heard that it was a fantastic event and I sincerely appreciate all of the work which was placed in it.

I would like to reach out to you, our members, for your input during the upcoming year. Several board members are staying on for next year, but we are very happy to see new talent.

It is with great sadness that I am announcing my retirement from the West Florida Wheelmen Board. I feel we have accomplished a great deal over the last three years and I am excited to see what next year will look like with the new board. It has been an honor to serve along side you.

The following are to serve in various capacities: Jon Tate (President), Jerry Lagos (Vice President), Jeff Boulton (Treasurer), Scott Kerbow (Secretary), Jennifer Kerbow (Membership), Jeff Williamson (Advocacy), Mike Larson (Sponsors), David Mayo (Ride Coordinator), Curtis Duvall (Website), Tim Fox (Race Director) and Chris Huffman (Newsletter). The board was approved at the annual banquet.

I want to pause for a moment and thank each of you who have made this a remarkable year in cycling. This would not have been possible without board members, ride leaders and organizers. Of course, we would not have the West Florida Wheelmen without our committed members.

In closing, I would like to thank those who have participated in the Remember Roger Ride, the Fenner McConnell-Matt Wantz Memorial Ride and the Rob Dollar Foundation Ride. Let us not forget these men whose legacy will continue to guide us through the years.

Again, thank you for allowing me to serve as your President and to help provide direction. I certainly believe all of us have made a tremendous impact on community involvement in health, fitness and relationship building.

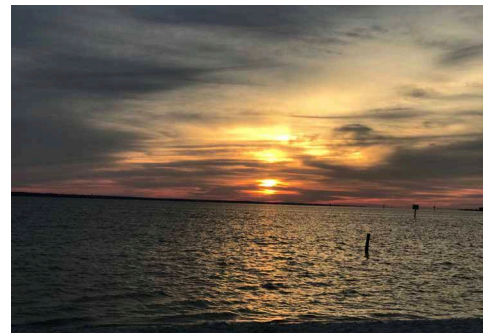

Thank you and ride safely! —Avi

Dylan Coleman is six and just got a new MTB—it was his inaugural ride (five miles) and he did *awesome!* The only time he dumped it was in the deep sand at the back of the trails but he got right back up and kept on trucking.

The amazing thing is that just over a year ago (October 15, 2018), he had two vertebrae removed and has a single level spinal fusion. He has four screws and two rods holding the spine in place at the fusion site. He has never complained and has waited a very long time to get the green light from the doctor to be back on the bike.

Thank you, Michele and Travis for sharing this so we can celebrate with you.

In the bottom photo, Dylan is wearing his green jersey, Davis, his brother, is in the *Dots and Watts* jersey and Mason Malone is in the orange RMB jersey.

## Rob Dollar Ride

On October 27, we participated in the Rob Dollar Ride. Two years ago while he was cycling, Rob was struck and killed by a motorist in Arizona.

His parents, John and Cindy, reached out to the West Florida Wheelmen and other cycling clubs in the United States to remember Rob's legacy.

His story continues through the [Rob Memorial Foundation](#) which advocates for cycling safety.

#### 6:00 PM: Taco Tuesday Loop

*The 'delicious' WFW Taco Tuesday ride is very fun and popular and starts downtown at the RMB store! Moving pace 17-21 MPH. If you drop off the back we have several re-group points along the route. If you miss the 6:00 PM start from RMB, the group cruises through the Summit & Maygarden around 6:30 PM so feel free to hop in there.*

#### 9:00 AM: Wednesday Touring Ride

Different starting locations (usually in Santa Rosa County). Please see the full information for each ride, including changes to the ride day due to weather which are posted on the Blackwater Cyclists Facebook page: <https://www.facebook.com/groups/Blackwatercyclists/>

*The ride concept is a slower paced social ride averaging between 13 and 15 mph. Most rides will involve a group meal stop mid-ride or at the end of the ride. Average distance will typically be between 40 and 60 miles. For more details contact Ernie Conner at [ecconnerjr@aol.com](mailto:ecconnerjr@aol.com)*

#### 7:30 AM: Saturday WFW in the Country

The distance of the ride will vary from 42 to 55+ miles and is typically posted by Thursday afternoon on the Blackwater Cycling Facebook page. The pace varies as well. You can typically expect 2 to 3 groups of riders with a Blackwater pace scale as follows:*

**H**ello and welcome to the club...the 2020 West Florida Wheelmen (WFW)! Whether you are new to WFW or rejoining, we are looking forward to an exciting year of riding. Take a few moments to think about your goals for 2020 ... maybe it's to do your first century (100 mile ride), speed up your base pace, participate in a race, make friends, get healthier, just ride more or ... ALL OF THESE!

Whatever the goal, don't forget to look us up on Strava and join in on the fun. We had impressive riding in 2019 later this month, we will have a top ten line-up! Kudos to those beasts.

The West Florida Wheelmen club exists because of you and me and our love to ride our bikes. WFW is always open to new ideas so feel free to reach out to any of your 2020 board members. You can email us at [advocate.wfw@gmail.com](mailto:advocate.wfw@gmail.com) or check out our club website at [westfloridawheelmen.org](http://westfloridawheelmen.org). We are also on [Facebook](#), [Twitter](#), [Instagram](#), and [Strava](#).

You always have a voice and we encourage our membership to be involved. There are many ways to do this such as attending a board meeting (just make sure to let us know you plan on coming so we can add you to the agenda). These are usually held the 4th Thursday of every month at the YMCA at 5:30 PM (YMCA located at 165 E. Intendencia St.). You could join our FINE group of ride-leaders (so awesome and valued), volunteer at one of our great events, host a ride, become a sponsor, or attend City of Pensacola Bicycle Advisory meetings to help build safe cycling in our community (we all know we need help in this area)! Don't be shy and let us know where you'd like to help. So saddle up ... let's make 2020 a year to remember.
