Message from the President

We are getting off to an excellent start! Already, people are posting miles and we are coming off the Battleship Ride.

Our annual Battleship Ride has increased membership over the past two years. Although the weather was very discouraging, twenty-five of us participated in it and forged ahead.

We drew participation from Texas, Arizona and Panama City and we ask for your suggestions on how we can improve the ride for next year.

I'd like to thank those who served as SAG support, especially Mark and Kristi Woolson from Truly Spokin' who continually bring their van, tools and expertise to club events.

I said this last year and I will repeat it—You are the reason we exist. If there is something on which we could improve, please reach out to me

or any of the board members so we may entertain growth. The board meetings are still being held at my house on the fourth Thursday of each month, so if you plan on attending, [email me](#) so we may add you to the agenda. Of course, all members are welcome to attend, but we need to know the number attending to make adequate room for you.

We are adding slower rides but keeping the longer distances. Doug Gehman, Jeff Williamson and Chris Huffman will be leading a solid B group no-drop ride on Saturday city rides. This group will start after the A group takes off. Read my lips—*you will not be dropped*. If you fall back, members from the B group will wait and even assist you if you have a mechanical issue. We were all once beginners, and even after injuries, each of us has had to start again.

I want to thank all of our sponsors for this year. Once again, we have the luxury of being supported by some of the finest individuals and companies in our area of the country. Please express your appreciation to our club members who helped make this happen.

Finally, as a reminder, don't forget to renew your membership. If you are wondering if you are current, check the membership list in this issue. Here is the [link](#) for the 2021 registration and there is a t-shirt option at an additional cost. Already we have 126 members signed up!

Thank you and be safe! —Jon

Come join the West Florida Wheelmen as we ride BRAG this year!
BIKE RIDE ACROSS GEORGIA!

June 5 – 12, 2021

The West Florida Wheelmen invite you to join us as we ride across Georgia! Each year, WFW members do this and we know it is an opportunity not to be missed.

Presently we have several members going and if we have a group of at least ten, we will be provided with

Wheelmen BRAG jerseys. So check out the schedule and sign up. When you register, use our team name, West Florida Wheelmen. *We have recently learned that you must sign up by Monday, March 1st to get in on the free jersey offer.*

From the BRAG website: On Big BRAG, cyclists will average about 55 miles per day for a week with a day off in the middle. It sounds like a lot, but they offer SAG and provide well-stocked rest stops every 12-18 miles with your favorite snacks and drinks, fun activities, and great views!

BRAG routes take bike riders through some of the most friendly and welcoming towns and features some of the best food Georgia has to offer.

When you pull into camp after your ride, you'll have access to the BRAG Bar where you can grab your favorite drink. Each day after the ride there are BRAG-tivities like bike trivia, one legged bike races, educational classes, yoga, massages, etc.

Every night features tomfoolery in the towns where we stay, like DJs, festivals and a different cover band each night covering the 80's—the Beatles, Neil Young, the Allman Brothers, the Cars and much more!

Battleship Ride

Always a ride to remember. Check out these photos from the ride on Saturday. Again, special thanks to Truly Spokin' for providing support and encouragement. Thanks also to Transformation Church for allowing us to start and finish from their location.

Great day for a bike ride and meeting awesome people!

Jorge, Joshua, Chris H., and Sarah met

Greg Taylor on February 24. This young man, will spend six months biking across America. He is doing this in partnership

with Chemo Noir, a cancer nonprofit, that helps provide financial support to families and patients who are fighting cancer.

We escorted Greg from Scenic and Summit to CycleSports where Brian Stone worked on his Surly Trucker and Donna Stone worked on the Engine! Here is a photo of Donna with a couple of her Theraguns to assist in relieving Greg's muscle stiffness and improve his recovery. Donna contributed a Theragun to the West Florida Wheelmen and it is available by texting or emailing Chris in Membership.

Greg will ride solo approximately 11,500 miles from Jacksonville to San Diego; San Diego to Seattle; Seattle to Maine; and Maine back home to Jacksonville. Please follow Greg and support his journey @chemonoir @usacancercycle

We are *full gas* for [2021 Membership!](#) The COVID-19 virus may have slowed us down a little; however, we are still planning divided group rides and other events for March including special meet-ups!

This would be an excellent time to review your goals for 2021. Objectives are short-term goals. If your goal is to complete a century, your objectives should be to complete 40, 50, 60, and 75 mile rides. Many of our rides fit into these distances, but we all have to stay at it.

This is a great opportunity to control your weight and improve your immune system! We had exceptional miles throughout the year and our ultimate goal for you is more miles unless you were in our Top 20. Try to move over a column or up a few places this year.

In order for us to tally your miles, please join us on Strava by asking to join the [WFW Strava Club](#). Remember, you have to be a Wheelmen member to join.

The West Florida Wheelmen club exists because of you and me and our love to ride our bikes. WFW is always open to new ideas so, please feel free to reach out to any of your board members. You can email us at wfw.membership@gmail.com or check out our club website at westfloridawheelmen.org. We are also on [Facebook](#), [Twitter](#) and [Instagram](#).

You always have a voice and we encourage our membership to be involved. Presently, the board meetings are being held at our president's home with social distancing or on Zoom. If you would like to attend one of these meetings, please contact Jon Tate at wfpres@gmail.com. (This helps in knowing the numbers in attendance.)

Lastly, we appreciate you—our members! Thank you for sharpening each other. Our club would not exist without you!
