

Dear Parents and Students,

New at All Saints for 2019– is our black and white program.

The portraits will be taken in black and white for a wonderful classic look.

One of the best things about this program is that it costs nothing to participate, and there's no obligation to order a package. The photography will be done during the school day. You will be receiving “proofs” within 10 days after photography. At that point you can decide if you'd like to place an order. The proofs are yours to keep even if you don't order a package.

## All Saints Catholic School Black & White Portraits:

- Thursday, March 21st  
Grades Pre-K 3, K-3
- Friday, March 22nd  
Grades Pre-K 4, 4-8

Here are few suggestions that will help us create a wonderful portrait of your child:

- It's a dress up day, so you can choose your own outfit.
- The photographs will be close-up poses with hands and arms showing so long sleeves are suggested.
- Since the image will be taken in black & white dark or medium colors work the best.
