

Dear Pastor and Church Leaders,

Imagine the impact of hundreds of believers from across New Mexico descending upon local neighborhoods with one shared, burning passion: **to proclaim the Gospel and see lives transformed.**

On **Saturday, September 26th**, the **Baptist Convention of New Mexico is hosting the 1Day BCNM Mission Trip.** This is a powerful, one-day opportunity to send laborers directly into the harvest. We are mobilizing churches to meet physical needs, build lasting relationships, and boldly share the hope of Jesus Christ.

This year, we are doubling our footprint with **two strategic locations:**

1. **Roswell, NM**
2. **East Mountains / Estancia Valley, NM**

Whether your church is large or small, seasoned in mission trips or looking for a way to get started, there is a place for you on the field.

The Vision: Outreach Meets Proclamation

We aren't just doing community service; we are building bridges to share the Gospel. Our teams will utilize practical, high-impact outreach tools to connect with people, including:

- **Block Parties & Street Carnivals** (Food, bounce houses, and games)
- **Car Care Clinic & Wash** (Free oil changes, light maintenance, and washes)
- **Free Yard Sales** (Blessing families with items they need at no cost)
- **Door-to-Door Surveys & Prayer** (Intentionally seeking spiritual conversations)
- **Laundry Mat Outreach** (Providing quarters and starting meaningful conversations)
- **Soccer Outreaches** (Connecting with youth and families through sports)
- **Car Shows & Craft Fairs** (Engaging local hobbyists, families, and creators)

Each of these activities is designed to engage our communities and open the door to present the Gospel to every single person we serve.

Quick Facts: What You Need to Know

We want to make it as easy as possible for your church to say **"Yes!"** to this mission opportunity. Here are the answers to some of our most frequently asked questions:

- **Can the whole family serve?**
 - Yes! This is a family-friendly mission trip. There are serving roles suitable for all age groups, from children to senior adults.
- **Does everyone from our church have to do the same activity?**
 - No. Your church members can split up and plug into different ministries based on their unique spiritual gifts, skills, and comfort levels.
- **Is there a registration cost?**
 - No registration fee! The only cost to your church is the time invested and your own transportation to and from your selected location (Roswell or East Mountains/Estancia Valley).
- **Is there training provided?**
 - Yes. Because our ultimate goal is gospel proclamation, everyone participating must be trained in the 3 Circles evangelism tool. We want our laborers to step onto the field fully equipped, confident, and ready to share their faith.

Ready to Mobilize Your Church?

The harvest is plentiful, but the laborers are few. Will you lead your church to step into the harvest field on **September 26th**? Register today by scanning the QR code. Together, we can make the Good News known across New Mexico —That All May Hear!
