Concert in the Park

RAIN DATE SUNDAY JUNE 4

FEATURING

Soul Sound Revue

PRESENTED BY **Town of Manchester**

**FREE concert Saturday June 3
starting at 6:30 p.m.**

- ▶ Bring a blanket, lawn chairs and picnic, **and** your family and friends.
- ▶ Food is available for sale.
- ▶ The park is located in Downtown Manchester (next to Mary Cheney Library, 586 Main Street).

Plenty of free parking behind Town Hall and in the Municipal lot on Pearl Street, as well as side streets. See website for info.

Soul Sound Revue by far the hottest nine piece Motown show this side of Detroit, performs the **greatest hits** in the true "Motown Tradition". Soul Sound Revue recreates the dynamic vocal harmonies and stylings of classic Motown groups of the sixties, seventies, and eighties: The Four Tops, The Temptations, Stevie Wonder, Earth Wind & Fire, and many more. With all its flash and finery, reminiscent of a time when a band's looks were as important as their sound, Soul Sound Revue's three lead vocalists explode onto the stage backed by a power house rhythm and horn section!

Audiences of all ages will "groove" through the sixties and "boogie" through the seventies with Soul Sound Revue.

This will be an exciting fun-filled concert.
