

**GWC Guild
Parent Volunteer Form
2016-17 School Year**

Welcome to George Washington Carver High school's 2016-17 school year! The success of any school is dependent upon the involvement of staff, students **and parents** in providing a wonderful learning experience for all.

The GWC Guild (formerly known as "Kids Grow") is one of the driving forces in providing a great school environment and extracurricular experiences for our students. Over the years, through the efforts of many parent volunteers, we have been able to supplement district school funding and provide additional enrichment to our students' lives with programs such as a school garden, a theater program, a music program and after-school programs.

The key to the our success is parent involvement!

Please review the list below and indicate which areas you would be able to assist the Guild for the 2016-17 School Year.
