

# 6th Annual California Solar Regatta

**May 5 and 6, 2017**

9 a.m. – 4 p.m.

Rancho Seco Recreational Area

14960 Twin Cities Road, Herald, CA 95638

Join us for the 2017 California Solar Regatta sponsored by SMUD's Energy Education & Technology Center and Community Solar® program. The Solar Regatta is a hands-on event where students learn about solar energy and sustainability in a fun, outdoor environment.

Spend a day at the lake as colleges and high schools race solar powered boats they designed and built. Cheer on your favorite team and boats while you:

- Have a picnic on the grassy shores of the lake, one of Sacramento's best kept secrets.
- Go for a swim or try sailing, windsurfing, or paddleboarding.
- Take a hike on the Rancho Seco Howard Ranch trail.
- Play games and win prizes.
- If you have a fishing license, catch a few while you are there!
