Fort Worth Masonic Temple, Joe Lowe Suite

The Beehive in Masonic Symbolism

Facilitator: Ill. Thomas A. Spencer, 33°

The Beehive receives little attention in the Texas Masonic ritual. As a part of the monitorial work, its explanation is rarely presented.

When and how did the beehive become a Masonic symbol?

What is the principle meaning applied to it?

Come, Learn, and Discuss.

All Masons Welcome

Business Casual Dress * No Regalia * Light Snacks Provided
