FLANWR SUMMARY

Through a grant from the National Fish and Wildlife Foundation, we provided an entrance sign, interpretative sign, iron ranger and caliche parking lot for the Bahia Grande Unit.

FLANWR purchased 40 acres within the Bahia Grande Coastal Corridor, bringing the total conserved land to 50 acres. This helps with habitat connectivity for many native species.

LAND ACQUISITION

EDUCATION & OUTREACH

We produced a Bug Girl Scout Badge, used Facebook, hosted the Beer with a Biologist events and developed a virtual fishing guide called Fishing @ Home. Also, co-hosted the annual Ocelot Festival in March.

RESEARCH

Approved a two-year agreement with the University of Texas Rio Grande Valley (UTRGV) to fund a graduate student with the new UTRGV native plant nursery

COVID-19 RELIEF

We made and donated 50 ocelot masks to Valley Baptist Medical Center and fundraised \$300 for Food Bank RGV.

The Friends of Laguna Atascosa National Wildlife Refuge is a 501 (3) (c) non-profit organization whose mission is to educate the public regarding the flora, fauna, and natural environment of the Laguna Atascosa National Wildlife Refuge.
