

HAVE A HEART FOR REX HOSPITAL!

The Rex “Heart and Vascular Hospital” has two ICUs, and their hardworking 3rd shift ICU staffs need to feel some love! Because of CGS’s extremely long history with Rex, we will provide large snack baskets for those workers in time for Thanksgiving weekend. **Sunday 11/5 through Sunday 11/19**, bring individually packaged snacks, such as peanut butter crackers, chips, applesauce cups, vitamin water, protein bars, cookies etc. Put your donations in the bin with the big red heart near the front desk. Questions? Contact [Grace](#) at 919-247-6426. Thank you!
